*Impact of New Technology on Next-Generation Leadership* Agnihotri, Alka, Agarwal, Renu, Maurya, Alka, Sinha, Manasi, Balusamy, Balamurugan, 2024-06-03 The rapid advancement of technology is disrupting traditional leadership paradigms challenging leaders to adapt to new ways of thinking and operating Emerging technologies such as artificial intelligence robotics and the Internet of Things are revolutionizing industries creating a pressing need for leaders who can navigate this digital landscape effectively However many leaders need to gain the knowledge and skills to harness these technologies to their full potential leading to missed opportunities and ineffective leadership practices *Impact of New Technology on Next Generation Leadership* offers a comprehensive solution to this pressing challenge This book provides a deep dive into how emerging technologies reshape leadership roles and responsibilities offering practical insights and strategies for leaders to thrive in this new era This book is essential reading for graduates post graduates and professionals in management and related fields as well as academics and researchers seeking to stay ahead in the ever evolving leadership landscape

Resurgent Julian Birkinshaw, John Fallon, 2025-07-17 A practical handbook examining how established businesses can use their unique advantages to fight back and win in a digital arena too often dominated by tech start ups disruptors and unicorns The big tech companies Alphabet Amazon Apple Meta Microsoft have had an enormous impact on our everyday lives A new wave of start ups in the tech sector has dominated the press and swallowed up huge amounts of investment But what about those established companies in the traditional parts of the world s economies from energy industrial and consumer goods to travel and health They rarely got a mention Everyone was talking about the disrupters the start ups and the entrepreneurs and not about the incumbents This book is a call for a reality check For at the core of our established companies are capabilities and qualities that remain highly relevant in the digital age They are often market leaders for very good reasons they know their customers and markets well and they have great product sales and marketing expertise They are operationally savvy and financially strong with deep insights into areas of expertise that no one else has giving them a unique advantage John Fallon and Julian Birkinshaw have come to a clear conclusion incumbents are not going quietly into that dark night Organizations will need to jettison their analogue baggage and infrastructure and embrace digital transformation They will survive and they will prosper And this shows how they are doing it

**Career Services and Workforce Development Centers for Libraries** Raymond Pun, Arpine Eloyan, Michael R. Oppenheim, 2024-11-18. With the rise of unemployment, increased career growth opportunities, and changing workforce demographics, libraries can support job seekers in several ways. *Career Services and Workforce Development Center for Libraries: A Guide* serves as a resource for libraries interested in creating, supporting, or enhancing their career services, economic, and workforce development programs for their communities. Going beyond collection development and hosting job fair activities, the book covers teaching resources and interviews from library leaders supporting workforce development initiatives or collaborations. Ideas on how libraries can be embedded in the workforce development community by providing a series of job readiness activities, programs, and services show academic and public librarians how to support their users exploring career opportunities and development. Examines employment trends and resources such as generative artificial intelligence to dive into these issues so libraries can stay active in identifying new skill development and technologies to support their communities. How can one start a career services or job center program in their libraries? What are specialized career services in libraries being offered? How can libraries advocate for funding for workforce development? Divided into five chapters, each chapter addresses these questions and provides a series of examples, ideas, and resources for readers to consider replicating in their own libraries. If you are looking
