Classical Readings In African Library Development:

Classical Readings in African Library Development Basil Amaeshi, 2003 This volume will be a valuable addition to any library school curriculum that deals with issues of collection management development strategies and technological integration **BOOK JACKET** **Libraries in the early 21st century, volume 2** Ravindra N. Sharma, IFLA

Headquarters, 2012-07-30 Following the pattern of the first volume the second volume of *Libraries in the early 21st century* An international perspective extends the range of countries covered Each chapter covers a different country and describes the modern history development of libraries and library technology The careful selection of countries achieves good representation of professional library work on all continents This two volume work represents an excellent contribution to international librarianship and allows comparative studies both at graduate and professional level *Globalizing the Library* Amanda Laugesen, 2019-03-04 *Globalizing the Library* focuses on the globalization of information and the library in the period following the Second World War Providing an examination of the ideas and aspirations surrounding information and the library as well as the actual practices and actions of information professionals from the United States Britain and those working with organizations such as Unesco to develop library services this book tells an important story about international history that also provides insight into the history of information globalization and cultural relations Exploring efforts to help build library services and train a cohort of professional librarians around the globe the book examines countries in Asia Africa and the Pacific during the period of the Cold War and decolonization Using the ideas of library diplomacy and library imperialism to frame Anglo American involvement in this work Laugesen examines the impact library development work had on various countries The book also considers what might have motivated nations in the global South to use foreign aid to help develop their library services and information infrastructure *Globalizing the Library* prompts reflection on the way in which library services are developed and the way professional knowledge is transferred while also illuminating the power structures that have shaped global information infrastructures As a result the book should be essential reading for academics and students engaged in the study of libraries development and information It should also be of great interest to information professionals and information historians who are reflecting critically on the way information has been transferred consumed and shaped in the modern world International and Comparative Librarianship Peter Johan Lor, 2019-06-17 Based on his extensive experience in international librarianship Peter Johan Lor South Africa's first National Librarian and a former Secretary General of the IFLA has written the first comprehensive and systematic overview of international and comparative librarianship His book provides a conceptual framework and methodological guidelines for the field and covers the full range of international relations among libraries and information services with particular attention to the international political economy of information the international diffusion of innovations and policy in library and information services LIS development and international aid It concludes with a discussion of the practical relevance and future of international and

comparative studies in LIS See a short interview with Peter Lor on his work <https://www.ifla.org/node/92590> *The Story of Libraries, Second Edition* Fred Lerner, 2009-12-24 This work describes the crucial role libraries played in ancient Egypt Han dynasty China the ancient Western Classical world the great library of Alexandria which was lost to us in stages over many years the Baghdad of Harun al Rashid and medieval and Renaissance Europe It continues with the libraries of colonial America the Library of Congress university libraries and today's large public library system **Edinburgh History of**

Reading Hammond Mary Hammond, 2020-07-09 Reveals the experience of reading in many cultures and across the ages Covers reading practices around the world from 19th century Africa to the reading of music in the 20th century USEmploys a wide range of methodologies a Showcases new research including reading at night readers as writers and critics and 21st century neuroscience Challenges previous models with new data on travelling readers images of readers and digital reading and fan cultures Modern Readers explores the myriad places and spaces in which reading has typically taken place since the eighteenth century from the bedrooms of the English upper classes through large parts of nineteenth century Africa and on board ships and trains travelling the world to twenty first century reading groups It encompasses a range of genres from to science fiction music and self help to Government propaganda **Reference Guide to Africa** Alfred

Kagan, 2005-08-11 The second edition of this classic reference organizes and explains the most important resources dealing with the study of Africa It is intended for students teachers librarians and serious researchers and it covers works and surveys dealing with the entire African continent The introductory sections cover African studies indexes bibliographies handbooks guides and directories as well as electronic sources and Internet web sites The continuing chapters deal with specific types of materials such as statistics current events biography primary sources and government publications The main body of the work is an annotated overview of sources for disciplines in the humanities social sciences agriculture and ecology Chapters typically include research guides directories surveys of the literature bibliographies indexes and abstracts key periodical titles and relevant Library of Congress subject headings Over half of the entries are either new or have been updated since the old edition and there is expanded coverage on volumes dedicated to the study of North Africa the growth of Islam in Africa and a tremendous increase in the number of electronic sources listed *Library Literature & Information Science*, 2008 An index to library and information science literature **American Book Publishing Record**, 2003
