Man Up Bedros Keuilian, 2018-09-18 But I can't. There's no way. It's impossible. Enough. Get off your ass and make your someday goals a priority today. After years of coaching and consulting hundreds of startup rookies as well as seasoned entrepreneurs, executives, and CEOs, Bedros Keuilian realized that most people who want to start a business grow an existing business, author a book, make more money, or make a bigger impact usually take the long, slow, painful way to get there, and more than 80 percent of entrepreneurs never get to their desired destination or achieve their full potential in business. They treat their dream as if it were merely a hobby and dip their toes in the water but they never commit to diving in. You get the idea. It's time to cut the bullshit excuses. Everyone has a gift, a purpose. It's your duty to figure out what your gift is and how you're going to share it with the world. Man Up: How to Cut the Bullshit and Kick Ass in Business and in Life is your guide to doing exactly that. Keuilian, founder and CEO of Fit Body Boot Camp and known as the hidden genius behind many of the most successful brands and businesses throughout multiple industries, will show you how to break out of the sea of mediocrity, get singularly focused on your purpose, and do what it takes not only to achieve but dominate your goals. With Keuilian's no-nonsense approach in both business and personal spheres, you'll be able to define your purpose and have clarity of vision and a plan to make the quantum leap. Whether it's creating and growing a company, leaving a legacy, making a difference, or launching a new brand, you will discover how to use your passion, purpose, and sheer grit to overcome any adversity that attempts to derail your progress. **Making Poor Man's Guitars** Shane Speal, 2018-10-09 Many books have been written about how to build cigar box guitars and other unique hand-made instruments, but few have touched on why. This book presents the authentic stories of American DIY music with step-by-step projects, photo studies of antique instruments, interviews with music legends, and historical accounts. Shane Speal, the King of the Cigar Box Guitar, brings the making of music and musical instruments back to its roots. From a simple two-string tin can guitar to an electrified washtub bass, Shane shows how anyone can build amazing musical instruments from found items. Sidebars present the fascinating backstory of the music, capturing struggle, poverty, and the blues within the artistic side of cigar box guitar building. Featuring an introduction from the New Orleans Museum of Jazz, this DIY musical instrument book is as inspirational to read in the living room as it is in the workshop.

*Intense Mountain Man* Maya Vale, 2025-04-12 HAWK I live alone on Shadowfall Ridge where the mountains are my only companions and solitude is my sanctuary Then I find her half frozen in a snowdrift her car wrecked on the treacherous mountain road Something primal awakens inside me when I carry Celine back to my cabin Her city soft curves ignite a hunger I've kept buried for years As blizzards trap us together teaching her survival becomes my obsession Each day I show her the wild beauty of my mountain each night our bodies speak a language more powerful than words She's everything I never knew I needed brave despite her fears surrendering yet unafraid to claim what she desires I've never wanted to share my mountain kingdom with anyone But as spring approaches and the thaw threatens to take her back to civilization I realize I'm not willing to let her go Up here we've discovered a passion as untamed as the wilderness itself Now I face the most difficult challenge of my isolated existence convincing her that what we've found is worth fighting for that our story has only just begun CELINE I never meant to end up stranded in a blizzard my car wrecked on a remote mountain road Terrified and freezing I thought I was going to die until he appeared through the swirling snow Hawk A mountain of a man who carries me to safety like I weigh nothing at all In his rustic cabin with no electricity and miles from civilization I discover parts of myself I never knew existed His calloused hands and intense gaze strip away my city girl inhibitions For the first time I feel beautiful in my own skin my curves cherished rather than criticized As days turn to weeks I learn to fish in half frozen streams to dance in thunderstorms to embrace the wild woman within me Each night in his arms feels more like home than the life I left behind But spring is coming the roads will clear and I'll have to choose return to the comfortable predictability of my former life or embrace the untamed passion I've found with a man as rugged and real as the mountains themselves
