Creator's Economy in Metaverse Platforms: Empowering Stakeholders Through Omnichannel Approach Singla, Babita, Shalender, Kumar, Singh, Nripendra, 2024-02-26 In the era of the metaverse a big challenge permeates the digital landscape a challenge that resonates both with creators seeking to thrive in this dynamic space and policymakers attempting to navigate its uncharted territories Creators driven by innovation grapple with a myriad of uncertainties in monetizing their virtual content effectively Simultaneously policymakers find themselves at a crossroads caught between the rapid evolution of the virtual realm and the lack of clear regulatory guidelines This struggle is exacerbated by the issue of cybersecurity threats that cast a shadow over the metaverse's transformative potential It is within this context of challenges that Creator's Economy in Metaverse Platforms emerges poised to tackle the pressing issues at the intersection of creativity regulation and the ever expanding metaverse Creator's Economy in Metaverse Platforms dissects analyzes and offers solutions to the multifaceted challenges prevailing in the metaverse By addressing fundamental questions about the creator economy the elusive concept of the metaverse economy and the indispensable role policymakers play the book provides a holistic understanding of the landscape Delving into topics such as stakeholder engagement digital asset management and the intricacies of various monetization models it equips readers with actionable insights Not content with a reactive approach the book takes a proactive stance offering solutions to foster interoperability and create an ecosystem where creators and policymakers can mutually thrive It envisions not just a book but a catalyst for transformative change in the metaverse

Digital Public Relations and Marketing Communication Trends in Africa Anne W. Njathi, Brandi Watkins, 2024-06-07 The uptake of digital media platforms necessitates the need to understand how digital cultures of consumers and brands are unfolding Despite the increase in usage and adoption of the internet in Africa there is limited information about digital marketing trends on the continent This book is among the first to present an edited collection of chapters on digital and influencer marketing authored by many who are either from or have close ties to Africa This book showcases digital marketing trends in Africa that are burgeoning at the same speed as the uptake of technology in the continent With this in mind the contributors seek to interrogate digital marketing trends in two stages the status of digital marketing on the African continent including cases from Nigeria Egypt Uganda and Kenya and an analysis of the rise of influencer marketing including cases from Nigeria and Uganda This book will explore factors driving the increase in digital media platforms in Africa as well as an analysis of the implications of the growth in digital marketing using various theoretical and methodological underpinnings to probe trends Digital Public Relations and Marketing Communication Trends in Africa provides significant implications for marketing scholars and researchers and will be relevant to those looking to understand the opportunities and challenges ahead Metaversed Luis Bravo Martins, Samantha G. Wolfe, 2022-12-22 Understand the coming metaverse and discover how to look past the hype and harness the future of technology Metaversed

is an insightful discussion and analysis of the next rapidly approaching technological revolution The authors deliver a compelling new exploration of how the metaverse and emerging technologies combine to define our collective future In addition to identifying the business opportunities the book pulls back the curtain on major safety and privacy issues that will arise and the expected shifts in both our private and social spheres In the book you ll understand How multiple industries will be changed and challenged in a 3D spatial world and how to navigate the future crypto ladden business landscape Legal and policy considerations necessary to build and maintain safe shared digital spaces The economic and social impacts including the potential for our digital lives to outlive our physical selves Actionable insights so you can make the most out of the next digital revolution Metaversed is a can t miss presentation of the most significant market opportunities and societal challenges posed by the metaverse It also will empower readers to take positive action that avoids the same online mistakes that happened on social media and create more responsible tech usage habits in our personal and professional lives **The**
