**The Future of No Work** Filip Drimalka, 2024-01-01 We have been told for ages that technology would make our lives easier Instead we increasingly find ourselves drowning in tedious tasks and feeling trapped in the daily grind overflowing calendars endless to do lists and a never ending stream of interruptions And since we re always connected our work never seems to end Imagine a world where technology finally starts taking care of all the boring stuff so you can focus on what really matters to you Where smart AI apps empower you to create anything you can imagine and even things you never would have thought of Where you have the power to redesign work around your life not the other way around This is the era of No Work It s not about escaping work but about using our skills and leveraging the possibilities unlocked by AI so that our days are primarily comprised of the things we are passionate about Because that s how we can create something extra ordinary

Inside this book you'll find hundreds of practical examples and tips How to find select and use the right digital tools for anything you do How to make your productivity skyrocket with AI and reclaim your time How to do things your way with greater freedom by automating more tasks How to craft the work you want whether you're an entrepreneur or an employee How to seize new opportunities and build a future proof career The book will provide you with loads of tips on the best apps and tools that are part of the AI revolution but the real magic is how it changes the way you think You'll learn new skills and timeless principles that will keep you ahead of the game no matter how AI changes the way we work FILIP DRIMALKA pronounced like Phil Dream is a digital innovation expert and a sought after European consultant on technology adoption He is the founder of Digiskills Digitask and Digi Challenge projects that are helping hundreds of companies and tens of thousands of individuals upskill and thrive in the digital age Filip resides in the Central European hot spot Brno with his wife and two children When he's not driving digital transformation you can find him skiing surfing or mountain biking He doesn't just write about No Work He actually lives it

**Unabridged** Stefan Fatsis, 2025-10-14 From the author of the New York Times bestseller Word Freak a vibrant lively and illuminating journey through the exotic world of Merriam Webster dictionaries and language at a time of rapid fire change in the way we create consume define and use words Words are the currency of culture and never more than today From selfie to doomscrolling to rizz our hyper connected digital world coins and spreads new words with lightning speed and locks them into mainstream consciousness with unprecedented influence Journalist and bestselling author Stefan Fatsis embedded as a lexicographer in training at America's most famous dictionary publisher Merriam Webster to learn how words get into the dictionary where they come from who decides what they mean and how we write and think about them In so doing as he recounts in Unabridged he discovered the history and fascinating subculture of the dictionary and of those who curate and revere one of the most basic features of our collective humanity Fatsis reveals the little known story of how the brothers George and Charles Merriam acquired Noah Webster's original American dictionary and reshaped the business of language forever Merriam Webster became America's most successful and enduring compendium of words withstanding intense competition and cultural controversies only to be threatened by the power of Google and artificial intelligence today Delving into Merriam's legendary archives and parsing its arcane rules Fatsis learns the painstaking precision required for writing good definitions He examines how the dictionary has handled the most explosive slurs and the revolutionary change in pronouns He votes on the annual Word of the Year travels to the legendary Oxford English Dictionary and visits the world's greatest private dictionary collection in a Greenwich Village apartment stuffed with more than 20 000 books Fatsis demonstrates how words are weaponized in our polarized political culture from liberal to woke to DEI and in a time of insurrections and pandemics how they can be a literal matter of life and death Along the way he manages to write a few definitions that crack the code and are enshrined in the pixelated dictionary I fell in love with the dictionary on my eleventh birthday Fatsis writes about the full color college lexicon he received on that

day The dictionary projects permanence but the language is Jell O slippery and mutable and forever collapsing on itself Unabridged takes readers to the heart of an industry in flux celebrating as it does the sheer thrill and wonder of words
