The Power of Logos William L. Haig, Laurel Harper, 1997-05-14 This book brings together both design and marketing expertise to explain how to create a truly effective company logo. It demonstrates and explains how to integrate concepts such as credibility, familiarity, and the essential spirit of a business into a logo design. Written for both the designer and the company manager, it defines the meaning of credibility and then demonstrates the kinds of qualities that convey credibility in a company logo.
