**AI Marketing** by Eliane Karsaklian, 2025-04-04. This book demonstrates how brands use AI to entice customers and discusses the use of AI as a competitive advantage for marketers. Did you know that investors at Wall Street wait for the Groundhog Day's forecast to make their financial decisions? Did you know that your favorite influencer is not a real person? Did you know that your smartphone works like a magic wand? Don't you feel cursed without it? You will know all about it in this book. Consumers just like you are looking for an effortless life, and technology is making it possible with self-driving and self-parking cars, smart houses, beds automatically adjusting to one's sleeping needs, and robot vacuuming homes, all without human intervention. While we share our personal QR codes, brands bring you magical solutions. Mr. Clean, Magic Eraser, L'Oréal Magic Roots, and you can customize your life by magically creating your own world with the metaverse and the products you want with a 3D printer. Technology and magic enclose mysteries that we cannot assess; we see the input and the output, but no one knows exactly what happens within the process. Extensively documented with publications and empirical research, this book demonstrates how brands use AI to entice customers. It also discusses the use of AI as a competitive advantage for marketers and its deployment around the world. Whether you are curious and confused about technology or a marketer without an IT background, expected to incorporate AI in your marketing strategies, this book is for you. So put some magic in your life.

**Reinventing Blogging with ChatGPT** Laua Maya, 2023-05-12 Reinventing Blogging with ChatGPT is a comprehensive guidebook for bloggers and authors seeking to enhance their content creation workflow through the use of AI language model ChatGPT The book provides a clear and concise overview of the entire process from identifying target audiences and niches to sharing posts on social media and evaluating blog performance What sets this book apart is its focus on writing from prompts To aid bloggers in generating fresh and creative ideas the authors provide various sentence multiple sentence and conversation prompts throughout the book These prompts are designed to complement specific chapters such

as Creating Your Blog's Mission Statement and Brainstorming Blog Post Topics and can help bloggers who may be struggling to come up with ideas. In addition to prompts, the book covers other essential aspects of blogging such as search engine optimization, SEO, affiliate marketing, and social media promotion. The authors offer actionable advice and tactics on how to increase visibility and readership through strategic use of these tools. For instance, in the chapter Inserting Strategic Links and Affiliate Links, the writers provide best practices for incorporating affiliate links to monetize blogs without sacrificing writing integrity. The book also devotes several chapters to leveraging ChatGPT to improve the content development process. The authors provide an overview of ChatGPT and explain how to use it for generating topic ideas, refining writing, and creating attention-grabbing headlines. The prompts offered throughout the book make it easy for bloggers to produce high-quality content quickly and easily. Another key feature of the book is its focus on reader engagement. The authors offer practical advice on developing relationships with and maintaining interest from the target audience. The section Interacting with Your Audience details how bloggers can encourage conversation and feedback through comments and other tools. Finally, the book concludes with a chapter on performance analysis. The authors provide guidance on measuring the success of blog content using metrics such as readership and time spent on site. By monitoring these statistics, bloggers can identify what is working and what is not, leading to better content and higher rankings. In conclusion, *Reinventing Blogging with ChatGPT* is an invaluable resource for bloggers and authors seeking to improve their content creation process and attract a larger readership. The book's emphasis on writing from prompts and practical advice for audience engagement and performance analysis make it a must-read for bloggers of all skill levels.
