Over Work Brigid

Schulte,2024-09-17 Brigid Schulte is a vital voice on the future of work and her carefully researched book lights the way to fewer hours less stress and more meaning Adam Grant 1 New York Times bestselling author of Think Again and Hidden Potential and host of the podcast WorkLife From the New York Times bestselling author of Overwhelmed a deeply reported exploration of why American work isn t working and how our lives can be made more meaningful Following Overwhelmed Brigid Schulte s groundbreaking examination of time management and stress the prizewinning journalist now turns her

attention to the greatest culprit in America's quality of life crisis the way our economy and culture conceive of work. Americans across all demographics, industries, and socioeconomic levels report exhaustion, burnout, and the wish for more meaningful lives. This full system failure in our structure of work affects everything from gender inequality to domestic stability, and it even shortens our lifespans. Drawing on years of research, Schulte traces the arc of our discontent from a time before the 1980s when work was compatible with well-being and allowed a single earner to support a family until today, with millions of people working multiple hourly jobs or in white collar positions where no hours are ever off duty. She casts a wide net in search of solutions, exploring the movement to institute a four-day workweek, introducing Japan's Housewives Brigade, which demands legal protection for family time, and embedding with CEOs who are making the business case for humane conditions. And she demonstrates the power of a collective and creative demand for change, showing that work can be organized in an infinite number of ways that are good for humans and for business. Fiercely argued and vividly told, rich with stories and informed by deep investigation, *Over Work* lays out a clear vision for ending our punishing grind and reclaiming leisure, joy, and meaning.

2020 Complete Stablecoin Guide Koosha Azim, Alyze Sam, 2020-01-22. *2020 Complete Stablecoin Guide* is a professional ebook published and written by Koosha Azim and Alyze Sam. Following the great demand for more Stablecoin knowledge in the financial technology community, Sam collaborated with fellow blockchain professionals Koosha Azim and Matthew Bardeleben to pack previous and ongoing research into a commercial product created for both beginners and cryptocurrency veterans.

Book Description: Stablecoins are a new emerging asset class within the financial world. From experienced Wall Street to villages in Africa, Stablecoins are exchanged as a stable method of decentralized money across the globe. This guide is a collaborative effort between experts in the financial technology world to provide an educational breakdown of the Stablecoin ecosystem. Whether you are interested in economics, finance, blockchain, cryptocurrency, or just want to learn something new, we invite you to explore the world of Stablecoins. After reading this, you will be able to determine the two types of Stablecoins. You will also be current on all active and pre-sale Stablecoins. All data and information are broken down into five different subcategories to compare and contrast for easier reading and understanding. Most importantly, you will be able to read an unbiased ebook on Stablecoins with opposing opinions and interviews from thought leaders worldwide. Seeing the advantages and disadvantages throughout every section of this guide will leave you the freedom to develop your own opinion and ability to invest more wisely for your personal financial desires.
