**The Call to Create** Linda Schierse Leonard, 2000 Linda Schierse Leonard explores the many parallels between the cycles moods and landscapes of nature that foster inspiration renewal and hope Leonard shows how understanding these parallels helps us move through dark times so we can be ready to receive and actualize creativity in our lives Leonard encourages readers by showing that the obstacles preventing them from creating a better life are like those that artists confront and that imagination can be born of frustration By understanding how to cultivate the helpers within us and by following the examples of well known artists we can develop and appreciate creativity in everything from our search for meaning to family and love relationships from communications and business ventures to artistic endeavors BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Jazz of Preaching, 20th Anniversary Edition* Kirk Byron Jones, 2025-03-04 Learn to preach from your soul What if preachers were as contagiously joyful in their preaching as Louis Armstrong was in his playing and singing As rich in their sermon renderings as Sarah Vaughn was in her virtuosic vocals As honest about heartache as Billie Holiday every time she sang the blues As alluringly clear as the voice of Ella Fitzgerald As tenaciously uninhibited in the action of creating as Duke Ellington This may be too much ask even of persons who are called by God However as Kirk Byron Jones demonstrates preaching can be enhanced by an understanding of the inner dynamics of jazz The forms rules and styles of jazz can inform one's practice of preaching and its simultaneous structure and spontaneity can help preachers better understand their own art In his classic text for students and practitioners Jones explains how preaching is dramatically improved with the application of key elements of jazz including innovation improvisation rhythm call and response honesty about heartache and delight This 20th Anniversary Edition includes a new element preaching from your genuine soul Chapters include instruction and exercises for applying the jazz elements to preaching preparation and performance This edition also includes an Introduction in which the author sets the context for the new material and articulates his conviction that this approach to preaching is needed now more than ever The Jazz of Preaching 20th Anniversary Edition introduces the rich and rewarding possibilities that arise when preachers tap into their own creativity and their own soul when constructing and delivering the sermon **The Trauma of Shame and the Making of the Self** Shelley Stokes, Sherron Lewis, 2018-08-20 Shame influences more of our thoughts and actions than many other emotions Used as a punishment for bad behavior shame acts as an incentive for us to behave in socially acceptable ways As a common method used to regulate children's behavior shame is by far one of the most pervasive socializing agents Many of our more persistent punitive and critical feelings about ourselves stem from humiliations in early childhood even if we don't remember the specific events that prompted them While we all experience shame from time to time when shame becomes toxic it can play a central role in our life long development and functioning At its worst shame can become a devastating attack on one's personhood and a threat to the integrity of the self Many books on shame and the

process of healing have been written but few have been written specifically from a psychodynamic depth psychology perspective It is intended that *The Trauma of Shame* and *The Making of the Self* will make an important contribution to that effort Shelley Stokes PhD and Sherron Lewis LMFT Authors of *Letting Go* and *Taking the Chance to be Real* Lewis and Stokes 2017
