ARMINIANISM Edward D. Andrews, 2018-10-31 To possess the light of life one must put faith in Jesus Christ and become his follower On social media every day millions of Christians are saying such things as I am a Calvinist I am an Arminian I am a Lutheran I am a Wesleyan and so on They then debate and argue theology as though it is a blood sport This author is not an Arminian Calvinist Wesleyan Lutheran Baptist follower disciple or learner of any other denomination Andrews is non denominational THE BIBLE S ANSWER EPHESIANS 1 4 Are Some Chosen Predestined to Eternal Salvation and Others to Eternal Condemnation What the Bible Authors Really Meant by Atonement What the Bible Authors Really Meant by Ransom What the Bible Authors Really Meant by Reconciliation What the Bible Authors Really Meant by Sanctification What the Bible Authors Really Meant By Salvation Is the Five Points of Calvinism Biblical Determinism Fatalism Predestination and Foreknowledge Arminian View of the Free Will Calvin s Predestination Is the Foreknowledge of God Compatible with Free Will TRUE CHRISTIANS Are Not followers of Men Are some chosen predestined to eternal salvation and others to eternal condemnation Andrews will have entire chapters dealing with this important issue and inform the reader from the Calvinist and Arminian perspectives In the end he will answer the following questions Is Total Depravity Biblical Is Unconditional Election Biblical Is Limited Atonement Biblical Is Irresistible Grace Biblical Is Perseverance of the Saints Biblical *Hyper-Calvinism* John R Rice, 1970 The Fight for Sola Scriptura Matthew Cserhati, 2025-01-17 Today the exclusive authority of the Bible is under heavy attack This principle is known as sola scriptura The charismatic movement pays lip service to it it is ignored by liberalism and it is attacked by the Roman Catholic church But even the evangelical world cannot adequately defend the biblical teaching of sola scriptura since even the church has been compromised with competing authorities In this book the reader will understand what sola scriptura is and what it is not and how to articulate it defend it based on the Bible and apply it to his life An overview of the historical development of scriptural authority is provided Several different philosophies will be examined in this book and will be compared with one another on how they relate to Scripture These include the charismatic movement liberal theology Roman Catholicism Eastern Orthodoxy dispensationalism Open Theism theistic evolution and certain strains of evangelicalism We shall see that the reason extra biblical authorities are given currency is because the authority of the Scriptures themselves are cast into doubt *A Critique of Provisionism* Matthew Cserhati, 2024-07-11 Arminianism is rife within the modern evangelical church with vocal proponents attacking the orthodox teaching of Calvinism One such critic is Leighton Flowers the director of Evangelism and Apologetics for Texas Baptists who leads the Soteriology 101 ministry His

book *The Potter's Promise* has influenced many against Calvinism. An overview of Flowers's theology is given in this book chapter by chapter and is exposed as an erroneous view of salvation. In these chapters the reader gets a historical overview of Calvinist thought. The reader will see how it is free will theology that can be associated more with a heretical Gnostic ideology called Manichaeism as well as works based Pelagianism. The various doctrines of Calvinism are supported from Scripture. This book also deals with common misrepresentations of Calvinism, i.e. that prayer is not necessary or that Calvinists don't feel the need to evangelize and provides the reader with a biblical basis for the several associated teachings of Calvinism in the appendix.

Spurgeon V. Hyper-Calvinism Iain Hamish Murray, 1995 The Gnostic Origins of Calvinism Ken Johnson, 2013-10

Most people have heard of Calvinism and Arminianism and most know there are many problems with the extreme forms hyper Calvinism and hyper Arminianism. But what did John Calvin really teach and where did his ideas come from? Learn the true Gnostic origins of Calvinism from the ancient church fathers and compare Scripture with Scripture to clearly see the trap Satan has set to divide Bible believing Christians. Examine the doctrines of total depravity, unconditional election, limited atonement, irresistible grace and perseverance of the saints along with predestination, foreknowledge, replacement theology and amillennialism. Find answers from the Bible, ancient church fathers and the political history of sixteenth century Europe. Brought to you by Biblefacts Ministries, biblefacts.org

The Nature of the Will in the Writings of Calvin and Arminius Alrick George Headley, 2017-06-05

Looking for deeper insights into an age old debate on the question of the issue of free will in the theology of Calvin and Arminius? You've come to the right place. When the general question does man have a free will is directed to John Calvin and James Arminius, the received and oft repeated answer is that Calvin, jealous for the glory of God, opposes free will and that Arminius, being human centered, advocates for free will, thus robbing God of his glory. This book shows through a fresh look at the original sources that the above characterization of the differences between Calvin and Arminius on the nature of the human will is misguided. For by using the fourfold state of human beings as the lens through which to ask and answer the question, it is shown here that the glory of God constitutes the main reason underlying both Calvin's opposition to and Arminius's advocacy of free will. Moreover, though for different reasons and with many nuances, Calvin and Arminius do agree seventy five percent of the time in the created, the redeemed and the glorified state that human beings possess free will. However, they differ significantly on the location, efficacy and function of that free will. For Calvin, free will is a gift of grace; for Arminius, it is a gift of grace and nature.

Erroneous and Schismatical Opinions: The Question of Orthodoxy regarding the Theology of Hanserd Knollys (c. 1599-1691) Barry Howson, 2021-10-01

England in the mid-seventeenth century saw the emergence of

numerous religious sects one of which were the Calvinistic Baptists During this revolutionary era this group was often accused of heresy by their Reformed contemporaries At that time Hanserd Knollys one of the key spokesmen for this body was personally charged with holding heterodox beliefs in particular Antinomianism Anabaptism and Fifth Monarchism In addition subsequent historians have been compelled to defend Knollys against the charge of hyper Calvinism All of these charges are serious and consequently bring into question Knollys basic orthodoxy This book systematically examines each of these charges against Knollys by looking at them in their broader historical context and then comprehensively examining them from Knollys writings to determine if they are indeed valid Along the way Knollys soteriology ecclesiology and eschatology receive vital and needed elucidation

Does God Love All or Some? Ronnie W. Rogers, 2019-04-19 The term extensivism describes my position regarding the doctrine of salvation Specifically extensivism believes that man was created in the image of God with otherwise choice God s salvation plan involves an all inclusive unconditional offer of salvation to every person reception of which is conditioned upon grace enabled faith rather than Calvinism s exclusive plan of a limited actual offer of salvation to only the unconditionally elected Generally it replaces the term non Calvinism These are the five primary objectives of the book First my considerations would result in a deeper understanding of God Second I will demonstrate that God salvationally loves every single person Third I intend to offer a precise and respectful critique of Calvinism s internal and biblical inconsistencies these are largely due to its commitment to compatibilism and unconditional election Fourth I will demonstrate that God s free choice to endow man with libertarian freedom is a more biblical perspective Fifth because a significant percentage of people who become Calvinists do not actually understand Calvinism I seek to present Calvinism and extensivism in language that is precisely and consistently reflective of the commitments of each perspective regarding God s sovereignty salvific love foreknowledge and man s freedom this so a person can make an informed choice about Calvinism

The Emergence of Hyper-Calvinism in English Nonconformity 1689-1765 Peter Toon, 2011-02-01 During the past three years Peter Toon published articles dealing with various facets of Calvinistic theology in the Age of Reason These articles were by products of research he was conducting at London University into the origins of a logical arid form of Calvinism hyper Calvinism found among Congregationalists and Baptists in the first half of the 18th century His thesis was completed in March 1967 and with some modifications is now published as a book Though his study has particular relevance to Strict Baptist who have become the custodians of hyper Calvinism it is also a contribution to our knowledge of the 18th century Nonconformity as well as the history of the development of Reformed doctrine In the Preface Dr J I Packer states The story is a cautionary tale with timely lessons for those who seek a revival of Reformed Christianity today
