Call It Immortality

Alfred Tennyson Baron Tennyson

Call It Immortality:

God Realization Glen C. Cutlip,2001-07-24 Have you ever wondered how it might be that God is to walk with the people of God Have you really contemplated how that God is the all in all in you all Have you ever wondered how God can manifest Himself in an infinite number of places at the same time Just as the peace of God passeth all understanding and the love of Christ passeth knowledge the realization of God passeth the understanding and the knowledge of the dual mind Accordingly the understanding and the knowledge of the dual mind must cease as it were before the realization of God can manifest itself as it is not just as it might appear to be That is the part as it were must be done away in order for the whole to manifest itself The realization of God is the outcome of realizing the Christ Consciousness that dwells at the Core of all being for we know that at the appearing of the Lord we shall like unto the Lord for we shall see the Lord as is not just as the Lord might appear to be We can now see how that the Christ dwells within all whether it is realized or not for to realize the Christ that dwells at the Core of all being is to realize that it has always been there Therefore the realization of God is the realization that God has been is and shall forever be right where you are the all in all in you all Thus God is ever walking with the people of God It is a matter of realizing how that might be Now is the time for that realization The Assurance of Immortality Harry Emerson Fosdick,1913
