Lenten Reflections Milton E. Lopes, 2014-10-03 This book is written for those among us who have weathered life's storms yet sense a nagging emptiness in their spiritual well being *Lenten Reflections From the Desert to the Resurrection* is written for those of us who want to be more spiritual It is divided into four parts Part One sets the framework for a treatment of the study of our salvation It is devoted to the historical roots of Lent its purpose and its

theology To that end this section also provides the reader with an overview of the creation story a discussion of evil and sin and a summary of the Trinity and the incarnation Part Two sets the stage for an initial reflection on Lent while Part Three introduces the disciplines needed to successfully pass through the desert to spiritual wholeness Four seminal questions are posed Where are we What are we Who are we Why are we Answers to these questions set the stage for what many spiritual masters call the purgative way in which the Twelve Step Program of Alcoholics Anonymous is suggested as a framework to one's first steps into spiritual wholeness At some point in their spiritual journey the reader moves into what these same spiritual masters call the illuminative and unitive ways Part Four is entitled The Agony and Exultation Here we join Jesus on the road to Calvary where he is crucified We know a mysterious joy as he rises from the tomb We end our reflections with his departure from his disciples the coming of the Paraclete and a new understanding of the meaning behind Jesus' sacrifice and life on earth

The Miracles of Jesus Wessel Bentley, 2012-10-01 What do the miracles of Jesus have to do with our lives today Wessel Bentley describes Jesus' miracles as complex events Not only did they transform people's lives through healing multiplication or resurrection but they also challenged attitudes and beliefs This is what makes Jesus' miracles timeless they can still touch our lives today just as they did the lives of people 2 000 years ago Each daily reading in this Lenten book begins with a scripture reading followed by the author's reflections on that passage Rather than being a scholarly verse by verse dissection of the text Bentley's meditations invite you to listen to what God may be saying to you through the Bible passage The daily meditations include thoughtful reflection questions a prayer and a prayer focus that lifts up persons or situations needing the touch of Jesus To make each day's reading further relevant to your life Bentley challenges you to remember at least one aspect of the meditation as you go through your day This unique Lenten study helps you identify with the characters in the Bible stories You will see yourself and others as persons who need grace and have the potential to be transformed by Jesus' love An excellent study for Lent but this book can also be used anytime by individuals or groups wanting a deeper understanding of Jesus' miracles

From Calvary to Victory Susan K. Williams Smith, 1999 From Calvary to Victory focuses on the personal journey we take during Lent Through reflections scripture readings and study questions Susan Williams Smith addresses such issues as From what personal cross in your life do you want to experience resurrection What are you willing to suffer in order to resurrect a new self by Easter Are you willing to go through your own metaphorical Good Friday crucifixion in order to rise as a new person in Christ The result is a valuable resource for both study groups and individuals looking for a meaningful Lenten devotional study
