John Calvin and the Jews Jack Hughes Robinson, 1992 In order to

evaluate the impact of Calvin's teachings on modern Reformed theology regarding the Jews examines not only Calvin's criticism of Jews sometimes couched in very harsh words but his theology in general which may shed light on his stance on this issue Calvin's writings show that he saw the Old and the New Testaments as an essential unity he believed that God did not reject His people that the Jewish Law was still valid and that salvation was still open to the Jews His criticism of the Jews concerned the Jews strict reliance on their physical descent from Abraham their dependence upon works of the Law for salvation and their rejection of Jesus as the Messiah The Reformed Church adopted Calvin's conception of the single covenant but have not overcome his supersessionism Calls for the formulation of a comprehensive doctrine on the Jews which does justice to the Reformed tradition and avoids the pitfalls of anti Judaism *Metaphysics and the God of Israel* Neil B.
