**I Am a Muslim: A Modern Storybook** Susan Douglass, 1995-01-01 This unit is built around a set of paired stories, one from the Qur'an or authentic traditions and one related modern story. The overall objectives are 1 to awaken the children's awareness of their identity and worth as Muslims, 2 to model Islamic behavior patterns and 3 to cultivate a sense of identification and community with Muslims of long ago and in other parts of the modern world. While the unit is designed for kindergarten, its stories and activities may be useful for values instruction throughout the primary grades in a variety of instructional settings including full time weekend and home schools. This unit emphasizing values education may also be useful in Muslim parenting classes. Each lesson consists of the story pair to be presented to the children orally or dramatically and suggested discussion guidelines and activities through which the values and related behaviors are developed and reinforced in the children's understanding. The 15 lessons are intended to implement teaching objectives in various units taught in a typical Islamic kindergarten social studies curriculum on a selective or exhaustive basis throughout the year.
