legacy for years to come *The Pro* Butch Harmon, 2006-05-09 Butch Harmon is the world's number one golf coach. He taught Tiger Woods through one of the greatest stretches of victories in golf history and perhaps even more conspicuously did not teach Tiger Woods following his unprecedented run as well as superstars like Greg Norman, Adam Scott, Fred Couples, Darren Clarke, Natalie Gulbis, and Davis Love III. How did he become such a legendary teacher and mentor? The answer is simple. He learned from watching his father. The Harmons are the First Family of golf, and Claude Harmon Sr. was the greatest of them all. His skill as a player, an innovator, a teacher, a devoted father, a loyal friend, and a peer of giants such as Ben Hogan has gone largely unappreciated by all but those who knew him best. In this book by his son, he finally gets his due. In *The Pro*, Butch Harmon paints a compelling portrait of an era in sports before the emergence of big media and bigger money and shows how the lessons he learned about life and golf at his father's knee made him the man he is today. *The Pro* is both a family and a golf memoir as well as an inside look at what it takes to teach the Tigers of the world. It describes how Butch and his brothers, who are also teachers, transfer their father's unique wit, wisdom, and philosophy to the next generation of golfers. Sometimes their advice relates to the game; sometimes they simply offer words of encouragement and motivation; sometimes they make pointed criticisms intended to shock their students into focus; and sometimes they try to impart simple advice about walking around through life. The Harmon brothers are teachers who share a special quality. All of their lessons are passed down from their father. Millions of golf fans know Butch Harmon; many are even familiar with his father and brothers. But never before have we been given such an intimate look at life among the legends of golf. *The Pro* is the story of an extraordinary father and son that will resonate with anyone who has ever looked back on life and recognized the wisdom of their parents' teachings. Golf's hard Dad would say, pointing a meaty finger at me as if he were about to reveal the secret of the Rosetta Stone: Good golf is damn hard, and championship golf is something only a few will ever see. But that's how it should be. If it were easy, everybody would do it. And where's the fun in that? From Butch Harmon, the world's number one golf coach, comes the inside story of how he learned everything he knows about golf and life from his father, Claude Harmon Sr. Both a family memoir and a reminiscence of growing up among the legends of sport, *The Pro* is a portrait of one extraordinary family and the game that will carry their legacy for years to come.

In Search of Tiger Tom Callahan, 2007-12-18 Tom Callahan has written the seminal book on golfing great Tiger Woods. Woods, who has gone out of his way to protect his privacy, has never allowed himself to get close enough to a writer to be properly examined on the page. And as a consequence, his fans know relatively little about him except what's divulged in quick tournament interviews or the scarce information parsed out on occasion by one of his handlers. Which is to say we know next to nothing about one of the most famous people in the world. Callahan, commonly regarded as one of the best all-around sports writers in the country, has followed Tiger around the world of golf for more than seven years, enjoying a certain access to the man and his family. He even went so far as to travel to Vietnam to learn the fate of the South Vietnamese soldier who was Earl Woods's best friend during the war and his

son's namesake Tiger is twenty years old when the book opens and twenty seven when it closes During those years Callahan covered Woods at all the Majors including the Masters the U S Open and the British Open culminating in Tiger's heart stopping race to make history by clinching the string of Majors affectionately nicknamed the Tiger Slam As the pulse of golf was measured by the curve of his swing Tiger made everyone's heart skip a beat as he attempted to win the Grand Slam a year later Along the way Tom Callahan hears from everyone who is anyone in the world of Tiger Woods including Phil Mickelson Jack Nicklaus David Duval Butch Harmon Ernie Els and of course Tiger's rather ubiquitous mother and father As much as we learn about Tiger how he sees himself in relation to the courses he plays on and the players he has learned from and competed with we also enjoy a bird's eye view of golf as it is now with Tiger on the scene and as it was for centuries before In Search of Tiger catalogs and dissects moments and influences in Tiger's guarded life and unprecedented career moments that unveil him his awesome drive and his enormous talent Tom Callahan has written a classic of its kind a book to rank with the best in its genre He has done what few have even attempted he has found the real Tiger Woods **Golf Gurus** James Y. Bartlett,1996 Chasing the Dream Harry Hurt,1997 one last shot at glory He was going to reconstruct his game and finally make it to the PGA Tour Spanning the nation's most diverse and treacherous courses from Long Island's blue collar Barcelona Neck to Doral's Blue Monster in Florida Harry's story includes a stellar cast of supporting characters PGA Tour stars Greg Norman Fred Couples Ben Crenshaw Tiger Woods and Bruce Lietzke the colorful tennis great Ivan Lendl pursuing a second stint in the spotlight *Shipmate* ,1959 **Pure-bred Dogs, American Kennel Gazette** ,1977-04
