Butlers Lives Of The Patron Saints

Alban Butler

Butlers Lives Of The Patron Saints:

Butler's Lives of the Saints Michael Walsh, 1991-07-05 For more than two centuries Butler's Lives of the Saints has been hailed as the authority on the Christian patron saints. Now in this new edition of the original classic, Michael Walsh has culled the rich resources of earlier editions to accentuate the more modern and best documented saints. Echoing the charm and style of the eighteenth century edition, Walsh's volume has been edited to make the fascinating and inspiring lives of the saints easily accessible to readers today. This edition features saints from many nations and backgrounds and includes new articles on recently canonized saints. The index offers the list of saints from the complete edition and includes all new canonizations and new dates, making it the most up-to-date listing of saints available. Butler's Lives of the Saints remains a remarkable reference source and, through its comprehensive biographies, a valuable aid to devotion and a rich source of historical information.

Butler's Lives of the Saints: 1999-2003 Paul Burns, Alban Butler, 2005 Offers a month-by-month guide to the saints canonized or beatified from late 1999 to the end of 2003, with an overview of each saint's life and accomplishments.

Butler's Lives of the Saints Alban Butler, 1995 For more than two centuries Butler's has been one of the best known and most widely consulted hagiographies. In its brief and authoritative entries, readers can find a wealth of knowledge on the lives and deeds of the saints, as well as their ecclesiastical and historical importance since canonization.

Butler's Lives of Patron Saints Alban Butler, 1987

Butler's Lives of the Saints: July, August, September Alban Butler, 1956

The Lives of the Saints Alban Butler, 2016-05-17

This is the Benziger Brothers edition of Alban Butler's Lives of the Saints, the most revered Catholic book after the Bible, the Missal, and The Imitation of Christ. A saint or two for each day of the calendar. Great for a daily meditation; each life is followed by a lesson from the life to help us apply the virtues of the saint to ourselves.

Butler's Lives of the Saints Alban Butler, 2025-03-18 Both a spiritual tool and a repository of historical facts, this compendium chronicles Christian saints and others, offering inspirational narratives accompanied by reflection and prayers, and organized by calendar months to align with their feast days. Includes cross-indexing for easy reference and a new foreword by theologian James Martin SJ. An

enduring classic of spiritual devotion *Lives of the Saints* Alban Butler, 2013-12-08 Alban Butler was a Catholic priest in the 18th century who is still remembered today for his biographies of the Catholic Church's greatest figures. Decades of work went into his seminal work *The Lives of the Saints* commonly referred to as Butler's Lives. Hundreds of years later it is still the most comprehensive collection of biographies of saints and it is a must read for anyone interested in Christianity and the religion's history *BUTLER'S LIVES OF THE SAINTS*. Paul Burns, 1995 Butler's Lives of the Saints Alban Butler, Paul Burns, 2003 This is indeed true if the saints and blesseds collected here share one overarching characteristic it is to have put their love of God to work for their fellow men and women as they saw fit through austerity of life contemplative prayer or myriad embodiments of what we would now call social work. They are holy examples to us because they lived and died for others for us. BOOK JACKET **Butler's Lives of the Saints: Concise, Modernized Edition** Bernard Bangley, 2012-01-01 There is no greater authority on the saints than Alban Butler and his enormous research has been the standard reference on the subject for the last two and a half centuries. This new adaptation of Butler's multi-volume *Lives of the Saints* presents a modernized text for today's reader and provides an illuminating guide to these historic symbolic and foundational Christian men and women. Butler's daily readings from the lives and works of the saints offer readers of all backgrounds the opportunity to engage directly with these great figures. Butler's distinctive contribution to stories about saints was to turn attention away from the superhuman miraculous themes that are prevalent in earlier works. He gives us saints who are examples of Christian living who provide inspiration for our own lives in every time and circumstance. As Butler writes: They were once what we are now: travelers on earth. They had the same weaknesses we have. We have difficulties so had the saints. Important features of this version include mention of recently canonized saints as well as those whose path to official sainthood is still in progress. Also included in the daily readings are more obscure saints whose lives and contributions to Christianity should not be forgotten Butler's Saints of the Third Millennium Paul Burns, 2001-01-01 Pope John Paul II has proclaimed an unprecedented number of new saints and blesseds in the 25 years of his pontificate and shows few signs of slowing the process despite the criticism from at least one cardinal that the altars are getting a little crowded. The proclamations have been made in a large number of countries from which the new saints and blesseds have come. This reflects a deliberate policy of strengthening the faith of local churches against the threats from totalitarianism secularism Pentecostalism etc. the Vatican tends to see most of the outside world as a threat. There has also been a deliberate policy to seek more examples of holiness from outside the ranks of clergy and religious. The twentieth century has been seen as the century of martyrs: largely those of Nazism and Communism and they feature prominently those of nominally Catholic military regimes are less favoured. The Introduction will make such points. This volume proposes to cover a four-year period in the Butler's style. Blesseds appearing in the 1995-2000 volumes who have since been canonized will have their entries updated and expanded as necessary. New blesseds will be featured with the information that is available which in the case of

some Third World figures is not very much Entries will therefore range from around 3 000 words to 200 with an average of some 800 The number of entries will be approximately 80 **Butler's Lives of the Saints** Alan Butler,1965 *Butler's Lives of the Saints* Alban Butler,1956 *Butler's Lives of the Saints: October, November, December* Alban Butler,1956

Butler's Lives of the Saints Alban Butler,1956 A Continuation of the Rev. Alban Butler's Lives of the Saints to the Present Time Charles Butler,1823 Butler's Lives of the Saints: October, November, December Alban Butler,1956
