*Butterfly Kisses* Kenneth Wilfred McCluskey, Andrea L. A. McCluskey, 1996-01-01      Understanding ADHD Ken W. McCluskey, Andrea McCluskey, 2001 This personal and moving account of raising a child with ADHD is remarkable for its humour real life examples and useful strategies for teachers and parents It is one of the few books to make the topic of ADHD truly come alive *Understanding ADHD* shows how parents and teachers can work together in a positive and productive fashion Topics addressed include identification causation theory treatment behaviour management teaching strategies self concept and prognosis      *Exceptional Child Education Resources* ,1997      Canadian Who's Who 2009 Elizabeth Lumley, 2008-12-04 Now in its ninety ninth year of publication this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada The volume is updated annually to ensure accuracy and 600 new entries are added each year to keep current with developing trends and issues in Canadian society Included are outstanding Canadians from all walks of life politics media academia business sports and the arts from every area of human activity Each entry details birth date and place education family career history memberships creative works honours and awards and full addresses Indispensable to researchers students media business government and schools Canadian Who's Who is an invaluable source of general knowledge      *Canadian Books in Print* ,1999      **Butterfly Kisses** Deborah Grivois Thorpe, 2024-06-07 *Butterfly Kisses* is a story about five year old Amelia who is afraid to start school because she doesn't want to be apart from her mom Her mom eventually finds a small way to help Amelia and Amelia gradually adjusts to the transition Separation anxiety is an all too common issue for young children and their parents This book shows children that it's okay to be scared when starting something new and that like Amelia they too will eventually come to enjoy their newfound independence About the Author Deborah Grivois Thorpe earned a Master of Science Degree in Human Resource Management and spent her career as a human resource professional Now retired she enjoys writing reading dance and travel Thorpe grew up with her family in East Hartford Connecticut and now resides in Vernon Connecticut *Butterfly Kisses* is her second children's book the first is *The Runaway Christmas Tree*

**Butterfly Kisses** George B Crocker, 2024-05-06 This book idea *Butterfly Kisses* was born out of my desire to have something very special and personal to give to my daughter on her wedding day The writing of the short stories inside these covers was very satisfactory and rewarding If only all fathers could live that very emotionally rewarding journey of writing a book for their precious daughters As my life partner Nancy said i wish my dad had wrote some of his favorite memories of me into a book Suzanne my beautiful daughter this one is for you the only woman I have loved since before you were born and every day since God bless you on your life journey      **Butterfly Kisses** Bob Carlisle, 1997      *Touched-- by Destiny* Susan Lucente-Rizzo, 2006      **Butterfly Kisses** Daniel McKinnon, 2005-01-01 *Butterfly Kisses* is based on a true story The

characters are also based on real life people but names and circumstances have been changed for the obvious reasons. Healing often needs a process of dredging from the bottom of the pond before the water comes clean. The author hoped to achieve this for himself in writing of these strange and then maybe not so strange happenings. It is also a verbalization of the pain that many people both men and women feel for such a long time after the end of a close relationship. This is particularly so if in retrospect it has been one that never should have ended. We all learn as we go and as we grow. Sometimes this is for good and some times not so good but survival in the aftermath becomes the paramount issue. Nearly everyone has a deep seated desire for life to contain some exciting and mystical journey. Life must have an element of passion about it or it is just an existence. The author grew up in a strict and confining religious atmosphere that's basis was that life would begin at a later point in time as many religions believe. The belief that here and now was only a bus stop. Put those chains around the spirit of someone who believes in color and music and passion and something will crack one day as it often does. To exist with any sense of decency one has to stand in their own truth something the author so strongly believed in but knowing what that truth is can be a difficult thing to confront.
