By the El Lawrence Stelter, 2007 **Flash: The Making of Weegee the Famous** Christopher Bonanos, 2018-06-05

Arthur Fellig's ability to arrive at a crime scene just as the cops did was so uncanny that he became known as Weegee, claiming that he functioned as a human Ouija board. Weegee documented better than any other photographer the crime, grit, and complex humanity of midcentury New York City. In *Flash*, we get a portrait not only of the man, both flawed and deeply talented, with generous appetites for publicity, women, and hot pastrami, but also of the fascinating time and place that he occupied. From self-taught immigrant kid to newshound to art world darling to latter-day caricature, moving from the dangerous streets of New York City to the celebrity culture of Los Angeles and then to Europe for a quixotic late phase of experimental photography and filmmaking, Weegee lived a life just as vivid as the scenes he captured. *Flash* is an unprecedented and ultimately moving view of the man now regarded as an innovator and a pioneer, one whose photographs are among the most powerful images of urban existence ever made.

New York Magazine, 1996-03-04

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

Building Communities Adam Mintz, 2023-01-24

Jewish law forbids carrying objects between private or public areas on the Sabbath. However, rabbinic authorities deemed carrying permissible within a physical enclosure called an eruv. This book explores the rabbinic debates surrounding the creation of such enclosures in North American cities and examines the evolution of American Orthodox communities from the late nineteenth century through the 1960s. The earliest debates reflect a community with low religious observance and weak ties to local government that relied on European rabbis for authority. By the mid-twentieth century, these rabbinic disputes reveal an established religiously observant community forming its own traditions.

Subways Lorraine B. Diehl, 2004

In *Subways*, her highly anticipated follow-up to *The Automat*, Diehl sets off on another sentimental journey recounting the true story of a city transformed by underground passageways.

Manhattan's Turtle Bay Pamela Hanlon, 2008-01-01

The mid-20th century ushered in a new era for the East Midtown neighborhood of Turtle Bay. The United Nations moved into its headquarters on the East River, and the Third Avenue El, last of Manhattan's elevated rail lines, was dismantled, making way for one of New York City's biggest building booms. The site of large farms in colonial times, Turtle Bay grew into a neighborhood of elegant brownstones in the mid-1800s, only to deteriorate with the arrival of factories and slaughterhouses later in the century. In the 1920s, charming town houses and luxury apartments sparked a renaissance, attracting influential and celebrated residents to this small town oasis in the heart of the city. *Manhattan's Turtle Bay* tells the story of the past half century as the neighborhood recognized its role at the center of the world's diplomatic stage and

adjusted to life amid the gleaming high rise towers all around *Street and Interurban Railroads* Brent Cassan,2007 This bibliography will serve as a useful starting point for research on street and interurban railroads It includes books from standard trade publishers as well as government documents and engineering reports **East Harlem Remembered** Christopher Bell,2013-01-01 The community of East Harlem in New York City lays claim to a rich and culturally diverse history Once home to 35 ethnicities and 27 languages the neighborhood attracted Irish Jewish and Italian immigrants in the early 20th century and later saw an influx of Puerto Rican immigrants and African Americans In this oral history former and current residents recount the early days the post World War II rise of public housing the departure of Eastern European inhabitants the growth of Latino and African American populations the spirited 1960s the urban blight of the 1980s and the more recent resurgence and gentrification This story of strength and struggle provides a vivid portrait of a fascinating community and the many resilient people who have called it home **Forthcoming Books** Rose Arny,1996-06 **Railfan & Railroad** ,1998 **RailNews** ,1998 *New York* ,1997-05 *Widescreen Dreams* Patrick E. Horrigan,1999-05-21 Describing his favorite movies as if they told the story of his own life Patrick Horrigan turns popular culture upside down and inside out He tunnels back into the long lazy afternoons of his conservative Catholic upbringing in suburban Pennsylvania where the movies offered salvation from boredom and self loathing he re creates in loving unembarrassed detail his turbulent relationship with his mother the first and most important in a series of strong women both real and cinematic who goaded him toward self awareness and he dramatizes his adolescent escape both in fact and in celluloid fantasy to the greatest gayest city on earth the Emerald City of daydreams New York BOOK JACKET *Manhattan at Mid-Century* Myrna Katz Frommer,Harvey Frommer,2013-09-06 Experience the mosaic of mid century Manhattan in this exuberant oral history that begins in the post World War II years when the city came into its own and ends in the mid 1970s when it nearly went bust This is the story of a time when great ocean liners were docked in the Hudson River ports Checker cabs hurtled across a two way Fifth Avenue and the Third Avenue el cast long shadows onto the street below There are recollections of Friday night boxing matches at the old Madison Square Garden of peddling tunes in the heart of Tin Pan Alley at the Brill Building of a Harlem that had a nightclub on every corner and a SoHo that was saved from a wrecker s ball by a bunch of mothers Eleven daily newspapers covered the city beat back then Automats and five and dimes were in each neighborhood and the New York Philharmonic performed free summer concerts at Lewisohn Stadium on the City College campus Zabar s was a small dairy store Balducci s was an open air fruit and vegetable stand New York was becoming the center of haute cuisine and haute couture the New York School of abstract expressionists had taken the lead from Paris in avant garde art This transformative time when New York City became the capital of the world is captured here in myriad memories that create an often humorous sometimes poignant occasionally bitter but always loving testament to the magical mystique of Manhattan Includes interviews with Jimmy Breslin Bill Gallo Monte Irvin Robert Merrill Herman Badillo Elaine Kaufman Jerry Della
