**Two Hundred Genuine Instances of Divine Healing** ,1911      *Leaves of Healing* ,1929      The Trinity As Revealed in the Old Testament Ford Wilson,2007-03 Knowing God and His attributes how He saves and answers prayer is foundational to all truth and eternal life Section one deals with proper attitudes we bring to the Old Testament text knowing it is God s self revelation Section two points out passages where two Persons manifest divine attributes or are called God Jehovah or Lord and Who is the Angel of the Lord Section three explains the texts where three Persons are called God Jehovah or Creator Here we see the lie of the Da Vinci Code as hundreds of years B C Jesus is called God God s self revelation in the Old Testament is proved by hundreds of fulfilled prophecies we enumerate The appendices deal with the eternal personality of the Spirit How to pray with Trinitarian Resources Biblical words and phrases twisted by sectarians the Trinity in the New Testament and Divine Names given equally to Jehovah and Jesus      *Bold Faith* Ben Pugh,2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the controversies are less intense the Charismatic Movement is alive and well today It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling Now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals Bold Faith aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity      **Atonement Theories** Ben Pugh,2015-02-26 With the subject of the atonement of Christ attracting such a lot of polemical work at this time it is easy to conclude that the current debate is generating more heat than light Atonement Theories presents the beginning student pastor or researcher with an accessible and fair treatment of every school of thought on this subject Atonement Theories significantly updates previous histories of the doctrine providing analysis of some fascinating and highly significant recent developments It also intriguingly highlights at various points where aspects of this central message of Christianity might find a connection within contemporary culture It aims to empower the reader to quickly gain a working knowledge of current debates and the history behind them      Testimony in the Spirit Mark J. Cartledge,2016-04-01 This book explores the ordinary beliefs and practices of Pentecostal and Charismatic Christians in relation to the Holy Spirit It does this by means of a congregational study of a classical Pentecostal church in the UK using participant observation focus groups and documentary and media analysis This approach develops a framework in which the narratives of informants can be interpreted Focusing on specific areas of interest such as worship conversion healing and witness each contribution from

respondents is situated within the context of the congregation and interpreted by means of the broader Christian tradition This book makes a unique contribution to scholarship by offering a rich and varied picture of contemporary Christians in the Pentecostal and Charismatic traditions enabling a greater understanding to be appreciated for both academic and ecclesial audiences *Religious Books and Serials in Print 1978-1979* R.R.
