

IS BLOGGING A GOOD SIDE HUSTLE?

A man with a beard and a dark t-shirt is sitting at a desk, looking out a large window. He is holding a pen to his chin in a thinking pose. A thought bubble above his head contains the text "NOT SURE???". The background on the left is a teal graphic with a white geometric network pattern. The background on the right shows an office interior with a window and a potted plant.

Russell C. James, 2018-11-25 Why nearly 90% of bloggers only make pocket money from their work and how to be part of the top 10% that makes the big bucks Just a few years ago I was fired from a law firm I used to work for was heavily in debt and was looking for ways to make some side income online That's around the time I started blogging And because I really had no other choice I pushed myself into learning every possible way I could turn my new fitness blog into a money making machine So I did what you're probably doing going through the YouTube videos reading all the articles buying all the courses etc To my dismay I encountered the 3 challenges that stop most bloggers from making any significant income online Information overload The piles of information on the topic and the analysis paralysis that I got as a result prevented me from getting anything done I followed outdated info The internet evolves rapidly and what worked in 2018 may not necessarily work in 2019 I lacked a roadmap with a destination Not knowing what you want and lacking a step by step procedure to get there is the perfect recipe for not getting any results at all Through hard work and dedication I was able to get past these hurdles and eventually made my first 5 figure month a bit over a year later Today I am a multiple six figure earner Because I

understand what you're going through I've written *Blogging for Profit 2019*.
