seamlessly If you've ever dreamed of earning a living while exploring the world this book will show you how to make it happen It's time to take the leap the adventure begins now *How To Be a Digital Nomad and Work Wherever You Want*

Curtis Duggan, 2022-08-16 If you're reading this congratulations You're one of the first people to check out this new book *How To Be a Digital Nomad and Work Wherever You Want* I can guarantee it'll be the best most concise book you'll read out there on becoming an effective remote worker and digital nomad This book was created to help you do something that is life changing but straightforward Take your source of income and move temporarily or permanently wherever you'd like to go in the world That's it No fluff no aspirational lifestyle mantras no self help guru stuff I break down the components of the remote work lifestyle tackle them one by one and give you the frameworks you need to plan your next move By the way we're also always updating it and improving it as we learn new information The global landscape for remote work is changing every single week We'll keep this guidebook updated accordingly You won't have to worry about purchasing the 2023 2024 and 2025 versions of this guidebook over and over again like your favorite guidebook at the bookstore Purchasing this book is a lifetime pass to all future versions of this book *How To Be a Digital Nomad and Work Wherever You Want* is your trusty guidebook as you prepare to embark on a remote work adventure I wrote this book based on my decade of experience as a remote worker CEO and co-founder of a remote first company and as a part time digital nomad And now I get to share my information with you It's never been easier to design the life you want and work wherever you want This is why I love the era that we are living in Remote work has created the biggest shift in 100 years in how we work That's right Remember the invention of computers The Internet Smartphones Those were just warm up rounds that enabled the latest seismic earthquake in how we live and work For the first time in history you don't need to be physically located close to your job or source of economic opportunity In this easy to digest book I share everything I know about planning executing and transitioning to life as a remote worker abroad You'll learn What the term digital nomad means why I think it's cheesy and how you can get past the jargon to think about the underlying principles of location independence Different paths to becoming a digital nomad Finding your purpose Choosing a digital nomad destination in South America Europe Asia and more Tips and tricks for living life as a remote worker abroad Best practices for being an effective remote worker with teammates and clients A long term strategy for adopting the digital nomad lifestyle To get more details on what's in the book scroll through images above to see the table of contents You'll get access to 100 pages in PDF and EPUB format All future versions of this guide for the rest of your life Exclusive access to an upcoming private community of digital nomads and remote workers One more thing If you're thrown off by the term ebook consider this more like a how to guide There are probably digital nomad coaches charging hundreds of dollars for one hour consulting calls and video courses Those overpriced offers will contain a lot of the same info that's in this relatively inexpensive digital book It's a deal Join thousands of other people worldwide in starting your digital nomad journey today [Kingdom Of Ten Thousand Things](#) Gary

Geddes,2012-08-14 For thirty years Gary Geddes has lived with his shadow self an obscure 5th century Buddhist monk named Huishen whose legend shanghaied his vivid imagination Huishen originally from Kabul Afghanistan reportedly sailed from China to Vancouver Island continuing southward to Mexico In a journey to recreate the travels of Huishen Geddes finds himself not only struggling to cross the ancient barriers of the Himalayas the Taklamakan Desert the Pacific Ocean and the jungles of Central America but also gingerly picking his way through Taliban landmines and Chinese and Zapatista politics From Afghan refugees to Tibetan monks and the ghost of Quetzalcoatl in Mexico Geddes encounters a host of quirky characters and fast friends none so compelling and insistent as the voice of Huishen who speaks to him mysteriously across the centuries But not even Huishen could imagine the events of 9 11 which transform Geddes journey beyond a quest for an elusive monk into an exploration of the ways in which we learn to interpret history Sacred profane and richly comic Kingdom of Ten Thousand Things a Chinese term for life itself is a remarkable personal odyssey a cornucopia of adventure philosophy and hearsay a book that will disarm and delight while provoking debate just who got here first anyway *Work Anywhere*
