**Money with AI: How ChatGPT Can Help You** Jay Nans, 2025-11-14. The ebook *Money with AI: How ChatGPT Can Help You* is a practical, beginner-friendly guide for honestly earning income using the free version of ChatGPT without requiring technical skills. **Core Philosophy and Realism:** The book establishes that ChatGPT functions as a time-saving assistant and production partner, not an automatic money-making machine requiring consistent human effort and oversight. It stresses avoiding get-rich-quick scams and setting realistic expectations; initial earnings are typically small and emerge after a few weeks to a few months of consistent work. **Getting Started:** Initial chapters focus on using the free version of the tool, explaining what ChatGPT can and cannot do, and detailing the creation of effective prompts. Key rules for successful prompts include being clear about the task, providing context, giving format instructions, and iteratively checking and improving the AI's output. **Income Streams and Workflows:** The majority of the guide outlines multiple low-barrier income streams, providing step-by-step workflows and tools, primarily ChatGPT, Canva, Google Docs, and example prompts for each. **Freelancing:** Writing and offering services on platforms like Fiverr and Upwork, such as writing blog posts, crafting product descriptions, or producing outlines and content for ebooks. **Digital Products:** Passive income creating and selling simple digital goods like low-content books, journals, planners, templates, resumes, and mini guides using AI to speed up the creation process. **Specialized Services:** Providing research and report summarization, generating social media content, captions, video scripts, creating customer

support materials FAQs email templates or packaging personal expertise into online micro courses The 30 Day Plan The book culminates in a structured 30 Day AI Income Plan<sup>888</sup> This plan guides the beginner through four phases Week 1 Learn Master the basics of ChatGPT and supporting tools Week 2 Create Samples Build a small portfolio of work samples and micro products Week 3 Publish Create professional profiles on freelance or digital product platforms Fiverr Etsy Week 4 Start Earning Actively apply for jobs and deliver first paid work Long term advice emphasizes consistency building business systems and slowly scaling through pricing and product bundling

**Reader Bot** Naomi S. Baron, 2026-01-20 What happens to human reading when AI bots can do it for us Explosive developments in artificial intelligence have awed everyday users with the technology's ability to draw do computer coding and especially to write Those AI generated essays and poems legal briefs and responses to requests for information are all visible evidence of large language models at work What we don't see is the critical prior step before it can write AI needs to read While AI's written outcomes are remarkably similar to what a diligent student lawyer or researcher might produce AI doesn't read the way that humans do Now that AI is proving an adept reader what happens to our own reading skills and motivations especially at a time when both voluntary and school reading are increasingly on the decline We have learned that when we let chatbots write for us there are pros and cons to handing over our virtual pens It's critical that we also think through the consequences of relinquishing reading a deeply human activity to bots What do we stand to gain and lose when we let AI read for us Tracing the intersecting trajectories of AI and reading Reader Bot tackles this vital question revealing why we must be thoughtful about how we welcome AI as reader into our lives
