Business Restructuring And The Corporate Agenda

C. Dale Baldwin

Business Restructuring And The Corporate Agenda:

Captive! C. Dale Baldwin, 2015-01-20 Enter the jet setting life of self made billionaire Ramses Aristotle Matthews a successful corporate lawyer and the CEO of his own firm The powerful novel *Captive Eyes of Genius* unravels the mysteries of his life This take charge executive exhibits all consuming desires not only when it comes to business interests but also with anything concerning his new wife Celeste Anastasia He lavishes her with love and money but in return he must also psychologically dominate her He believes that he is simply being protective not smothering Ramses uses power and passion to manipulate his wife With their marriage built around obsession will Celeste choose to break away or does she enjoy being held Captive Strategic Management A. Naga, In today s world change is the only constant factor In the last few decades there has been a radical change in how organizations function To survive in this highly volatile environment companies need a long term strategic vision and thinking In light of this strategic management has become a significant topic and is taught as the core subject in MBA PGDM programmes in Indian universities and business schools This is a book written in the context of the Indian business environment but with a global orientation It is comprehensive and contemporary in its approach

Risk Management and Innovation in Japan, Britain and the USA Ruth Taplin, 2005-11-16 Assessing and managing risk is vitally important and is increasingly studied in a range of areas including politics and international relations finance and insurance and innovation and the valuing of intangible assets such as patents and intellectual property The degree to which innovation is encouraged or otherwise a key factor for many businesses depends in part on the attitude towards risk in the context in which it takes place Taplin considers the different attitudes towards risk and innovation and the different ways in which risk and innovation are handled in Japan Britain the USA Providing a broad and detailed examination of the subject she discusses topics including risk management standards managing risk in marketing the insurance industry patents and in venture capital and of how risk management in organizations has evolved **Human Resource Management in the**

Asia-Pacific Region Chris Rowley, 2012-10-12 HRM human resource management suffers from a selective tendency and ad hoc approach which misses the historical paradoxical often incoherent incompatible and inconsistent nature of the subject This text reduces this myopia by adding to our knowledge and the milieu within which it operates Global Visions Jeremy Brecher, John Brown Childs, Jill Cutler, 1993 The authors provide both a realistic assessment of the contemporary efforts to perpetuate imperial domination and the various visions and strategies that could knit together global popular struggles into a vibrant democratic transnational movement for a humane and ecologically balanced world *Scratching the Surface* Enakshi Dua, Angela Robertson, 1999 *Scratching the Surface* brings together 14 anti racist feminists who examine ways in which race and gender interact to shape the lives of women of colour in Canada This collection of articles covers a broad range of topics such as the impact of colonialism and its associated discourses on First Nations and other groups of colonized women racism in the Canadian labour movement the impact of globalization on women of colour the ways in which the

institution of the nuclear family shapes racism sexism in communities of colour and the ways in which the women s movement can create an anti racist praxis The book not only provides exciting new insights into how women of colour experience Canadian society but also provides instructors with a textbook that integrates anti racist and feminist approaches
