## **Business Ethics And The Environment The Public Policy Debate:**

*Business, Ethics, and the Environment* W. Michael Hoffman, Robert Frederick, Edward S. Petry, 1990-11-21 From the eighth National Conference on Business Ethics sponsored by the Centre for Business Ethics at Bentley College *Ethical Theory and Business* Denis G. Arnold, Tom L. Beauchamp, Norman E. Bowie, 2020 Ethical Theory and Business is the authoritative guide to business ethics and CSR with cutting edge theoretical readings and cases *A Companion to Business Ethics* Robert E. Frederick, 2008-04-15 In a series of articles specifically commissioned for this volume some of today's most distinguished business ethicists survey the main areas of interest and concern in the field of business ethics Sections of the book cover topics such as the often easy relation between business ethics and capitalism the link between business ethics and ethical theory how ethics applies to specific problems in the business world the connection between business ethics and related academic disciplines and the practice of business ethics in modern corporations Includes extensive accessible discussion of all of the main areas of interest and debate in business ethics Features all original contributions by distinguished authors in business ethics Includes an annotated table of contents bibliographies of the relevant literature and a list of internet sources of material on business ethics Perfect comprehensive book for use in business ethics courses

Environmental Philosophy and Environmental Activism Don E. Marietta, Lester Embree, 1995-09-06 This collection of new essays by eleven distinguished environmental philosophers addresses two main questions first whether environmental philosophy and ethics should be seen as a form of applied philosophy or as something else perhaps best called practical philosophy and second how environmental philosophy is practiced in human life especially in the lives of academics

*Animal Pragmatism* Erin McKenna, Andrew Light, 2004-09-07 What does American pragmatism contribute to contemporary debates about human animal relationships Does it acknowledge our connections to all living things Does it bring us closer to an ethical treatment of all animals What about hunting vegetarianism animal experimentation and the welfare of farm animals While questions about human relations with animals have been with us for millennia there has been a marked rise in public awareness about animal issues even McDonald's advertises that they use humanely treated animals as food sources In *Animal Pragmatism* 12 lively and provocative essays address concerns at the intersection of pragmatist philosophy and animal welfare Topics cover a broad range of issues including moral consideration of animals the ethics of animal experimentation institutional animal care environmental protection of animal habitat farm animal welfare animal communication and animal morals Readers who interact with animals whether as pets or on a plate will find a robust and fascinating exploration of human nonhuman relationships Contributors are James M Albrecht Douglas R Anderson Steven Fesmire Glenn Kuehn Todd Lekan Andrew Light John J McDermott Erin McKenna Phillip McReynolds Ben Minter Matthew Pamental Paul Thompson and Jennifer Welchman *Harvard Business School Core Collection* Baker Library, 1999

**Ethical Issues in Business** Peg Tittle, 2000-04-13 The core of this text comprises chapters on all the key issues of

business in Canada today Each chapter includes a hypothetical case study and an introduction highlighting key ethical points two academic essays and a real life case study Questions for discussion accompany the essays and case studies The author has also included a general introduction to ethical issues and an overview of ethical theory a section on institutionalizing ethics discussing ethics officers programs codes etc and appendices providing excerpts from important classic contributions to ethical theory and from relevant Canadian law *Ethics and the Environment* Richard E. Hart,1992-08-27 Ethics and the Environment includes contributions from distinguished philosophers humanists politicians geologists chemists and physicists This volume opens with an historical and philosophical background to provide a basis for discussion of significant contemporary changes in ethical theory Key themes and concepts in the environmental ethics debate are addressed including property rights organism and community and environmentalist values The political and legislative dimensions of environmental issues are analyzed The book concludes with discussion of two environmental problems that affect Long Island nuclear energy and safe water supply Contributors E Shirk M Soupios A Berleant C Mooney D Sprintzen E Katz E Walther the Honorable P G Halpin T Goldfard J Kluewer R Watson and J Kane Co published with the Long Island Philosophical Society

**Ignoring Nature No More** Marc Bekoff,2024-05-31 For far too long humans have been ignoring nature As the most dominant overproducing overconsuming big brained big footed arrogant and invasive species ever known we are wrecking the planet at an unprecedented rate And while science is important to our understanding of the impact we have on our environment it alone does not hold the answers to the current crisis nor does it get people to act In *Ignoring Nature No More* Marc Bekoff and a host of renowned contributors argue that we need a new mind set about nature one that centers on empathy compassion and being proactive This collection of diverse essays is the first book devoted to compassionate conservation a growing global movement that translates discussions and concerns about the well being of individuals species populations and ecosystems into action Written by leading scholars in a host of disciplines including biology psychology sociology social work economics political science and philosophy as well as by locals doing fieldwork in their own countries the essays combine the most creative aspects of the current science of animal conservation with analyses of important psychological and sociocultural issues that encourage or vex stewardship The contributors tackle topics including the costs and benefits of conservation behavioral biology media coverage of animal welfare conservation psychology and scales of conservation from the local to the global Taken together the essays make a strong case for why we must replace our habits of domination and exploitation with compassionate conservation if we are to make the world a better place for nonhuman and human animals alike **Technology and the Environment** Frederick Ferré,1992 [Ethics in Business and Economics](#) Thomas Donaldson,Thomas W. Dunfee,1997 *Business Ethics* Mark Schwartz,1996 *Public Policy* Charles L. Cochran,Eloise F. Malone,1999 This text is written with a conviction that public policy is not a value free subject and values influence and are influenced by economic realities The result is a uniquely balanced and very readable text that hooks

students Tackling both the theory and processes of policy making the authors do not shrink from controversial issues that come before policy makers and they present the dichotomy between liberal and conservative issues in policy making

**Ethical Theory and Business** Tom L. Beauchamp, Norman E. Bowie, Denis Gordon Arnold, 2009 The authors examine ethical theory and business practice the purpose of the corporation corporate character and individual responsibility acceptable risk the ethical treatment of employees diversity and discrimination in the workplace marketing and disclosure of information ethical issues in information technology and ethical issues in international business Abstracts of Public Administration, Development, and Environment, 1993 **Business Ethics for the 21st Century** David M. Adams, Edward W. Maine, 1998 This text reader engages students in ethical reflection upon issues that arise in all aspects of the contemporary workplace Featuring the theme of globalization it provides an accessible and timely introduction to the discipline of business ethics Journal of Policy Analysis and Management, 1992 Encompasses issues and practices in policy analysis and public management Listed among the contributors are economists public managers and operations researchers Featured regularly are book reviews and a department devoted to discussing ideas and issues of importance to practitioners researchers and academics Business Ethics Robert Frederick, Mark S. Schwartz, 2001 Can a corporation have a conscience What is wrong with reverse discrimination Can ethical management and managed care coexist Hoffman Frederick and Schwartz address these and many other current intriguing often complex issues in corporate morality This introductory business ethics text contains a thorough general introduction on ethical theory 54 readings and 25 cases Divided into five parts each with an introduction that presents the major themes of its articles and cases the text contains an impartial point counterpoint presentation of different perspectives on the most important issues being debated in business ethics Each chapter ends with questions that can be used for student discussion review tests quizzes or for student assignments The fourth edition has 27 new readings 15 new cases and 10 new mini cases *The Environmental Ethics and Policy Book* Donald VanDeVeer, Christine Pierce, 1998 This text and sourcebook crosses disciplinary boundaries and attends seriously to economic reasoning and its implications for environmental policy issues while taking a broad view of questions of ethics It is appropriate and valuable not only for philosophy and environmental science students but also for students of economics biology engineering and public policy **Harvard Business School Core Collection 1995** Baker Library, 1995
