But Deliver Us from Evil Bert Lorenz.2002-08 The War Crv .1896 Bulletin of the Atomic Scientists .1969-02 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer Evangelical Magazine and Gospel Advocate ,1839 The History of the French Revolution Adolphe world Evangelical Magazine and Gospel Advocate Lemuel Willis, Dolphus Skinner, Aaron Burr Gross, 1839 Thiers, 1845 The Wall Street Journal ,1987 **Historical Works** Adolphe Thiers, 1845 The Book of Revelation (Volume One) Chip Brogden, 2020-11-17 Experience the Book of Revelation from the perspective of hope not hype When I was about eight years old a boy in my Sunday school class at St James United Methodist Church told me that the Bible predicted that the Russians would defeat the United States in World War III To support this claim he quoted a verse allegedly from the Book of Revelation The eagle and the bear will wage war and the bear will defeat the eagle and rule over the earth He couldn t produce the chapter and verse for this however so being skeptical of a Bible quote without attribution I read the Book of Revelation straight through looking for a verse about the bear and the eagle Of course I found no search verse My little Sunday school friend is hardly alone in anxiously repeating what he had probably heard from an equally anxious but ill informed adult This experience instilled in me an important lesson at a young age take nothing that anyone says about the Bible for granted but study it for yourself and come to your own conclusions This is especially true when it comes to the Book of Revelation the most sensationalized overly hyped misquoted and confusing book in the whole Bible Part of the reason for this I believe is a certain morbid curiosity and fascination with end of the world teachings and the understandable desire to know what the future holds While I did not understand everything I read in the Book of Revelation the first time through even as a child I got the general impression that contrary to the doom and gloom I was expecting the Book had a happy ending I came away with the assurance that Good would conquer Evil in the end That is still my impression and my assurance to you today and although forty years have passed since I first began to read and study the Book my hope has only increased with the passage of time My goal is to help you see the Book of Revelation differently not as book of hype but as a book of hope not as a book of destruction but of restoration not as a book of fear but of faith in the goodness and greatness of God and of the preeminence of Christ in the last days The key premise is that God wants to save the world not destroy it In the end He will not only make all things new Rev 21 5 but God will wipe away every tear from their eyes there shall be no more death nor sorrow nor crying There shall be no more pain for the former things have passed away Rev 21 4 This wonderfully good news tends to get lost in the popular focus on judgment and the mark of the beast though this has a place Exactly how God will overcome all this evil and accomplish such a glorious outcome makes this study so interesting In this book the first of two

volumes I pass along to you the things I have seen and heard from the Lord Yet I give you the same advice that I followed so

many years ago take nothing I say for granted but study it for yourself and come to your own conclusions Amen Even so come Lord Jesus Rev 22 20b	е
