Butch Cassidy & the Sundance Kid Charles River Charles River Editors, 2013-08-25 Includes pictures of Butch Sundance and other important people and places in their lives Explains the origins of the names Butch Cassidy and Sundance Kid Discusses the legends and mysteries surrounding the lives deaths and legacies of Butch and Sundance Includes a Bibliography for further reading The Wild West has made legends out of many men through the embellishment of their stories such as crediting Billy the Kid and Wild Bill Hickok for killing far more people than they actually did But it has also made icons out of outlaws like Butch Cassidy and the Sundance Kid based on the mystery and uncertainty surrounding their crimes and deaths allowing speculation and legend to fill in the gaps Though Butch Cassidy and the Sundance Kid are the two most famous members of the Wild Bunch and will probably always be associated with each other there s no indication that they had any particularly close friendship or relationship aside from being members of the same gang In fact they might not have been linked together at all but for the fact that they both chose to flee the country for Argentina to escape justice It was in South America that the famous outlaws are believed to have met their ultimate fate in a shootout with Bolivian soldiers but the mystery and controversy surrounding that shootout and whether the two bandits were actually them have helped ensure their place in Western lore As with so many other legends of the West people continue to speculate that Butch Cassidy and the Sundance Kid survived and lived out the rest of their lives In fact it was in South America that Butch Cassidy and the Sundance Kid are believed to have met their ultimate fate in a shootout with Bolivian soldiers The mystery and controversy surrounding that shootout and whether the two bandits were actually them have helped ensure their place in

Western lore and as with so many other legends of the West people continue to speculate that Butch Cassidy and the Sundance Kid survived and lived out the rest of their lives Butch Cassidy The Sundance Kid chronicles the outlaws lives while also analyzing their legacies and mythology that have enveloped their stories in an attempt to separate fact from fiction and determine what the notorious robbers were really like Along with pictures of important people and places you will learn about Butch and Sundance like never before
