Butch Cassidy:

Butch Cassidy Charles Leerhsen, 2020-07-14 Charles Leerhsen brings the notorious Butch Cassidy to vivid life in this surprising and entertaining biography that goes beyond the movie Butch Cassidy and the Sundance Kid to reveal a more fascinating and complicated man than legend provides For more than a century the life and death of Butch Cassidy have been the subject of legend spawning a small industry of mythmakers and a major Hollywood film But who was Butch Cassidy really Charles Leerhsen bestselling author of Ty Cobb sorts out facts from folklore and paints a brilliant portrait of the celebrated outlaw of the American West Born into a Mormon family in Utah Robert Leroy Parker grew up dirt poor and soon discovered that stealing horses and cattle was a fact of life in a world where small ranchers were being squeezed by banks railroads and cattle barons Sometimes you got caught sometimes you got lucky A charismatic and more than capable cowboy even ranch owners who knew he was a rustler said they would hire him again he adopted the alias Butch Cassidy and moved on to a new moneymaking endeavor bank robbery By all accounts Butch was a smart and considerate thief refusing to take anything from customers and insisting that no one be injured during his heists His Wild Bunch gang specialized in clever getaways stationing horses at various points along their escape route so they could outrun any posse Eventually Butch and his gang graduated to train robberies which were more lucrative But the railroad owners hired the Pinkerton Agency whose detectives pursued Butch and his gang relentlessly until he and his then partner Harry Longbaugh The Sundance Kid fled to South America where they replicated the cycle of ranching rustling and robbery until they met their end in Bolivia In Butch Cassidy Charles Leerhsen shares his fascination with how criminals such as Butch deftly maneuvered between honest work and thievery battling the corporate interests that were exploiting the settlers and showing us in vibrant prose the Old West as it really was in all its promise and heartbreak

The Last Outlaws Thom Hatch, 2013-02-05 The Old West was coming to an end Two legendary outlaws refused to go with it As leaders of the Wild Bunch Butch Cassidy and the Sundance Kid executed the most daring bank and train robberies of their day For several years at the end of the 1890s the two friends along with a revolving band of thieves eluded law enforcement while stealing from the rich bankers and Eastern railroad corporations who exploited Western land until they rode headlong into the twentieth century In The Last Outlaws Thom Hatch brings these memorable characters to life like never before From

their early holdup attempts to that fateful day in Bolivia Hatch draws on a wealth of fresh research to go beyond the myth and provide a compelling new look at these legends of the Wild West Includes Photographs Butch Cassidy The Lost Years William W. Johnstone, J.A. Johnstone, 2023-09-26 According to the history books legendary outlaw Butch Cassidy was killed in 1908 alongside the Sundance Kid in a bloody shootout with the Bolivian Army Or was he From master storytellers William W. Johnstone and J.A. Johnstone a page turning revisionist Western and gripping tribute to a true icon of the Wild West that asks the question What if Butch Cassidy survived In a small Texas town in 1950 a Pinkerton detective interrupts an old timer's game of dominos to learn the truth about Butch Cassidy who is still very much alive and well In fact he's the old timer playing dominos Seems that after surviving the infamous shootout in Bolivia that claimed the life of his partner the Sundance Kid Butch returns to Texas searching for a place to call home When he comes across a dying rancher who'd been shot by some rustlers Butch promises to avenge him and take over the ranch after his death Assuming the name Jim Strickland Butch begins a new chapter in his life But trouble has a way of finding Butch A corrupt railroad baron pulls him into the most dangerous train robbery he's ever attempted But if Butch Cassidy is going to ride again it'll have to be with a newer and wilder Wild Bunch JOHNSTONE COUNTRY WHERE LEGENDS NEVER DIE **Butch Cassidy and the Sundance Kid** Tim Cooke, 2015-12-15 Robert Leroy Parker's transformation into Butch Cassidy wasn't immediate He worked on ranches as a cowboy was a butcher for a time and finally chose a path of crime in the American West in the late 1800s Cassidy's involvement with the band of outlaws known as the Wild Bunch and later partnership with Harry Longabaugh the Sundance Kid resulted in a crime spree and a life on the run Butch Cassidy and the Sundance Kid fled to South America where their fate remains a mystery This lively well researched volume filled with fascinating photographs and fact boxes provides a gripping account of a fugitive's life and legend *Butch Cassidy, My Brother* Lula Parker Betenson, Dora D. Jameson, 2012-07-25 This well researched biography of the life and controversial death of Robert LeRoy Parker aka Butch Cassidy is a journey across the late nineteenth century American West as we follow Cassidy's exploits in Colorado Wyoming and Utah where he made his name as a surprisingly affable outlaw More important this book answers the question Did Butch Cassidy noted outlaw of the American West survive his alleged death at the hands of Bolivian soldiers in 1908 and return to friends and family in the United States The evidence suggesting he did is impressive and not easily dismissed but how he lived and what identity he assumed are still debated **Butch Cassidy and the Sundance Kid** John Foreman, Paul Newman, Robert Redford, 1969 111 min color Rated PG *Butch Cassidy & the Sundance Kid* Charles River Charles River Editors, 2013-08-25 Includes pictures of Butch Sundance and other important people and places in their lives Explains the origins of the names Butch Cassidy and Sundance Kid Discusses the legends and mysteries surrounding the lives deaths and legacies of Butch and Sundance Includes a

Bibliography for further reading The Wild West has made legends out of many men through the embellishment of their stories such as crediting Billy the Kid and Wild Bill Hickok for killing far more people than they actually did But it has also made icons out of outlaws like Butch Cassidy and the Sundance Kid based on the mystery and uncertainty surrounding their crimes and deaths allowing speculation and legend to fill in the gaps Though Butch Cassidy and the Sundance Kid are the two most famous members of the Wild Bunch and will probably always be associated with each other there s no indication that they had any particularly close friendship or relationship aside from being members of the same gang In fact they might not have been linked together at all but for the fact that they both chose to flee the country for Argentina to escape justice It was in South America that the famous outlaws are believed to have met their ultimate fate in a shootout with Bolivian soldiers but the mystery and controversy surrounding that shootout and whether the two bandits were actually them have helped ensure their place in Western lore As with so many other legends of the West people continue to speculate that Butch Cassidy and the Sundance Kid survived and lived out the rest of their lives In fact it was in South America that Butch Cassidy and the Sundance Kid are believed to have met their ultimate fate in a shootout with Bolivian soldiers The mystery and controversy surrounding that shootout and whether the two bandits were actually them have helped ensure their place in Western lore and as with so many other legends of the West people continue to speculate that Butch Cassidy and the Sundance Kid survived and lived out the rest of their lives Butch Cassidy The Sundance Kid chronicles the outlaws lives while also analyzing their legacies and mythology that have enveloped their stories in an attempt to separate fact from fiction and determine what the notorious robbers were really like Along with pictures of important people and places you will learn about Butch and Sundance like never before **The Story of Butch Cassidy and the Sundance Kid** Lindsey
