By Their Blood James Hefley, Marti Hefley, 2004 The moving true stories of modern martyrs all over the world are brought to life in this newly revised edition By Their Blood James C. Hefley, Marti Hefley, 1978 **Commentary on the Bible** Matthew J. M. Coomber, Hugh R. Page Jr., Gale A. Yee, 2015-04-01 The Fortress Commentary on the Bible Old Testament and Apocrypha presents a balanced synthesis of current scholarship enabling readers to interpret Scripture for a complex and pluralistic world The contributors bring a rich diversity of perspectives to the task of connecting solid historical critical analysis of the Scripture with sensitivity to theological cultural and interpretive issues arising in our encounter with the text The contributors represent a broad array of theological commitmentProtestants Catholics Jews and others The introductory articles and section introductions in the volume discuss the dramatic challenges that have shaped contemporary interpretation of the Old Testament and Apocrypha Individual book articles provide an introduction and commentary on key sense units that are explored through the lenses of three critical questions. The text in its ancient context What did the text probably mean in its original historical and cultural context The text in the interpretive tradition How have centuries of reading and interpreting shaped our understanding of the text The text in contemporary discussion What are the unique challenges and interpretive questions that arise for readers and hearers of the text today The result is a commentary that is comprehensive and useful for preaching teaching and research Fortress Commentary on the Bible set Gale A. Yee, Cynthia Briggs Kittredge, David A. Sanchez, Hugh R. Page Jr., Margaret Aymer, Matthew J. M. Coomber, 2015-06-02 The Fortress Commentary on the Bible The Old Testament and Apocrypha and Fortress Commentary on the Bible The New Testament present a balanced synthesis of current scholarship on the Bible enabling readers to interpret scripture for a complex and pluralistic world Introductory articles in each volume discuss the dramatic challenges that have shaped contemporary interpretation of the Bible Commentary articles set each book of the Old and New Testaments and the Apocrypha in its historical and cultural context discuss the themes in each book that have proven most important for the Christian interpretive tradition and introduce the most pressing questions facing the responsible use of the Bible today The writers are renowned authorities in the historical interpretation of the Old and New Testaments sensitive to theological and cultural issues arising in our encounter with the text richly diverse in social locations and vantage points representing a broad array of theological commitmentProtestants Catholics Jews and others and alive to the ethical consequences of interpretation today A team of six scholar editors and seventy contributors provides clear and concise commentary on key sense units in each book of the Old Testament Apocrypha and New Testament Each unit is explored through the lenses of three levels of commentary based on these critical questions. The result is a commentary that is comprehensive and useful for gaining insights on the texts for preaching teaching and research In addition to the commentary essays on each book the volumes also contain major essays that introduce each section of Scripture and explore critical questions as well as up to

date and comprehensive bibliographies for each book and essay Just Love Her D. E. Fast, 2022-06-09 What you need is a good woman That was my mother s consistent counsel from the time I didn t get asked to play on the neighborhood little league team to when Donna and I broke up in high school What you need is a good woman Don I believed my mother when she said it I didn t walk around on a daily basis and repeat the mantra of the good wife but I did take it to heart It wasn t until I got married that I realized that although I had a good woman life wasn t getting easier or more fulfilling in fact it was getting much much harder One of the goals of Just Love Her is to identify a number of the fallacies that many of us men have hung onto believing like me in my younger days that when you find the right woman all your problems will magically disappear Most of the time not all but most it s after marriage that the real problems begin It s not that they weren t there before it s just that our good woman turns into a full length relational mirror exposing the sin and idolatries that were already there but were easy to run away from before we got hitched to our eventual bad wife This little book will identify one of the main causes of bad marriages idolatry Many if not most men worship the ground she walks on instead of just loving The Apocrypha Matthew J. M. Coomber, Hugh R. Page Jr., Gale A. Yee, 2016-10-10 This concise commentary on the Apocrypha excerpted from the Fortress Commentary on the Bible The Old Testament and Apocrypha engages readers in the work of biblical interpretation Contributors from a rich diversity of perspectives connect historical critical analysis with sensitivity to current theological cultural and interpretive issues Each chapter Tobit through 4 Maccabees includes an introduction and commentary based on three lenses ancient context the interpretative tradition and contemporary questions and challenges The Apocrypha introduces fresh perspectives and draws students preachers and interested readers into the challenging work of interpretation By Their Blood James C. Hefley, Marti Hefley, 1978 The Evolution of a Pentecostal Scholar Martin Mittelstadt, 2024-10-14 This collection of previously published essays reveals a personal journey Two decades ago I could not have anticipated the twenty first century theological and methodological shifts in biblical studies In these essays I encourage readers to observe my evolution by way of adventures in Luke Acts In so doing I invite readers to reimagine a story not simply about the past but rich with possibilities Utopianism, Modernism, and Literature in the Twentieth Century A. Reeve-Tucker, N. Waddell, 2013-05-07 Utopianism Modernism and Literature in the Twentieth Century considers the links between utopianism and modernism in two ways as an under theorized nexus of aesthetic and political interactions and as a sphere of confluences that challenges accepted critical models of modernist and twentieth century literary history An international group of scholars considers works by E M Forster Ford Madox Ford Wyndham Lewis Naomi Mitchison Katharine Burdekin Rex Warner Yevgeny Zamyatin Thomas Pynchon Elizabeth Bowen James Baldwin Toni Morrison and Ernst Bloch In doing so this volume s contributors prompt new reflections on key aspects of utopianism in experimental twentieth century literature and non fictional writing deepen literary historical understandings of modernism's socio political implications and bear out the on going relevance of modernism's explorations of utopian thought Utopianism

Modernism and Literature in the Twentieth Century will appeal to anyone with an interest in how deeply and how differently modernist writers as well as writers influenced by or resistant to modernist styles engaged with issues of utopianism perfectibility and social betterment American Book Publishing Record, 2004 Biblical Counsel .1993 The Twentieth Century Outlook Upon Holy Scripture Edward Lowe Temple, 1913 The New Werner Twentieth Century Edition of the Saint George Liberator Aaron T. Hollander, 2025-12-09 A groundbreaking investigation Encyclopaedia Britannica ,1907 of how representations of Orthodox Christian saints serve as means of resistance amid cultural and political domination On the eastern Mediterranean island of Cyprus repeatedly conquered and colonized Orthodox Christians have long struggled for political self determination agricultural sustainability and spiritual wholeness Saint George Liberator illuminates the intimate interplay of Christian theology and Mediterranean politics through the lens of St George the martyred soldier of pre Constantinian Christianity the liberator of captives and protector of the downtrodden the dragonslayer of medieval legend A saint beloved by Christians and Muslims alike St George's representations across many different media are upheld as means of resistance and hope in contexts of domination and suffering The book offers a profound and original reading of Orthodox hagiography demonstrating how hagiography is not only an art form of historical significance but also a vibrant living theology of liberation amid struggles to be whole and free Saint George Liberator is interdisciplinary in its methodology and scope deepening its vivid ethnographic narration through conversation with sociological theory and the historical theology that has shaped Orthodox Christian society and consciousness over the course of centuries Enmeshed in the multicultural complexity of the Ottoman and British Empires modern Cyprus offers a case study of how colonized and colonizing populations may turn to the same religious repertoires for understanding themselves and one another telling opposing stories with shared symbols and claiming the means of interpretation as a path of cultural resistance As a case study in interreligious imagination and the political power of vernacular theology the book speaks of psychosocial dynamics that far exceed their enactment in Cyprus It shows that Christian saints mediated diversely in material and intellectual culture may not only propose magnetic alternatives to the world as it is but also directly aid in forming Christian publics for liberative politics in the present Twentieth Century Encyclopædia Charles Morris, 1911 How to Read the Bible in the **Twentieth Century** Sophie Willock Bryant, 1918 Forthcoming Books Rose Arny, 2004 What Inspirational Literature Do I Read Next?
