Love, Passions, and Betrayal Corlis, Corlis Martin, 2005-08-30 He was the mystery in her history that would forever remain unsolved She loved him so intensely now and again it seemed to injure her core to have a sinuous love as this Being a worldly wise woman she did not understand how she could love any man He was an extraordinary man whose beauty comes within the center of his soul Beautiful as could be he was the angel whom she loves so deeply Although no one except she and he knows this to be He was her secret mystery her morning sun her luminous star in twilight He was a quiet tempest she could not resist Dark passionate desires for him haunted her in the worst way each and every day Emotions stirred within her as she allowed her mind to wonder and linger Within her private world he was her treasure her ultimate pleasure The love she held in her heart for him was unreasonable and complicated Within her mind her wanton love for him was by design A love so strong whether right or wrong it would stay with her waiting for the time for her to ascend In the midst of the stars where love endlessly flows she looks forward to the day when he will know That the love she feels for him will last after everything else in this world has passed Castration Gary Taylor, 2002-09-11 Castration is a history of the meaning function and act of castration from its place in the words of Jesus in the Gospel According to Matthew and the early Church where Augustine and the Fathers shaped the basic philosophic concepts of sexuality and chastity to its secular reinvention in the Renaissance and its twentieth century position at the core of psychoanalysis Taylor connects castration to the ancient and continuing human drive to re engineer our own biology In the medieval love story of Abelard and Heloise a violent castration makes Abelard a better theologian In the year 2000 a sterile but otherwise functioning man is a boon to the woman who desires sex without the burdens of pregnancy Ranging from allegory to zooarchaeology Castration turns an unusual and discomfiting topic into a thoroughly enjoyable narrative on man s obsessive relationship to his genitals his sexuality and his manhood Jacket **New York Magazine** ,1989-04-10 Paperbound Books in Print ,1991 New York Magazine ,1989-05-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1989-02-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine ,1989-01-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning
