**Product Marketing in the Age of Generative AI: A Practical Guide** Varun Grover, Dr. Mohsin Fayaz, 2025-02-05. The marketing landscape is undergoing a profound transformation. The advent of generative AI has introduced unprecedented opportunities and challenges for product marketers. With tools that can create compelling content, hyper-personalized messaging, and predictive insights at scale, generative AI has changed the rules of engagement. Yet alongside its promise comes a pressing need to navigate ethical considerations, trustworthiness, and how to maintain the human touch in a world increasingly shaped by algorithms. *Product Marketing in the Age of Generative AI* is a guide for those at the forefront of this transformation. It's for product marketers who see generative AI not as a replacement for human ingenuity but as a powerful partner in driving creativity, efficiency, and impact. This book is about mastering the tools and techniques that generative AI offers while staying rooted in the core principles of great product marketing: understanding your audience, crafting resonant messaging, and driving tangible results. This is not a book about AI hype or abstract theory. Instead, it's a practical guide grounded in real-world applications, case studies, and actionable strategies. You'll learn how to integrate generative AI into your marketing workflows, enhance customer engagement, and scale your efforts without sacrificing quality. Along the way, we'll explore how to leverage AI responsibly, balancing automation with authenticity to build trust and lasting connections. The age of generative AI is not coming; it's here. And as product marketers, the question isn't whether to embrace it but how to do so effectively and ethically. My hope is that this book equips you with the knowledge and confidence to navigate this new frontier, transforming
