## **Deathwing Over Veynaa:**

*Deathwing Over Veynaa* Douglas Hill, 1980-01-01 In his quest to crush the evil Warlord Keill Randor must deactivate an awesome weapon manufactured by a Deathwing agent on the planet Veynaa Deathwing Over Veynaa. [read by Steven Crossley]. Douglas Hill, 1998

**The Colloghi Conspiracy** Douglas Hill, 2014-06-30 The Colloghi Conspiracy continues the adventures of Del Curb begun in *Fraxilly Fracas* This time the self styled hero is troubled by a frozen astronaut a media star called Highlight Heart throb and the treacherous nature of the planet Colloghi Children's Fiction Sourcebook Margaret Hobson, Jennifer Madden, Ray Prytherch, 2018-12-17 First published in 1992 this Sourcebook is a basic working tool for all those concerned with children's reading It will help librarians and teachers to select a comprehensive stock of children's fiction for their institutions The authors in the sourcebook have been selected on the grounds of importance popularity and current availability Author entries are arranged in alphabetical order and indexes provided by title series age range and genre Each entry consists of some background information and evaluative comment on style of the book a list of the authors books with publisher date and price and literary agent where applicable There is a suggestion of similar authors sequels related series and reader age range Young Adult Science Fiction C. W. Sullivan III, 1999-03-30 At the close of the nineteenth century American youths developed a growing interest in electricity and its applications machines and gadgetry When authors and publishers recognized the extent of this interest in technology they sought to create reading materials that would meet this market need The result was science fiction written especially for young adults While critics tended to neglect young adult science fiction for decades they gradually came to recognize its practical and cultural value Science fiction inspired many young adults to study science and engineering and helped foster technological innovation At the same time these works also explored cultural and social concerns more commonly associated with serious literature Nor was young adult science fiction a peculiarly American phenomenon authors in other countries likewise wrote science fiction for young adult readers This book examines young adult science fiction in the U S and several other countries and explores issues central to the genre The first part of the book treats the larger contexts of young adult science fiction and includes chapters on its history and development Included are discussions of science fiction for young adults in the U S and in Canada Great Britain Germany and Australia These chapters are written by expert contributors and chart the history of young adult science fiction from the nineteenth century to the present The second section of the book considers topics of special interest to young adult science fiction Some of the chapters look at particular forms and expressions of science fiction such as films and comic books Others treat particular topics such as the portrayal of women in Robert Heinlein's works and representations of war in young adult science fiction Yet another chapter studies the young adult science fiction novel as a coming of age story and thus helps distinguish the genre from science fiction written for adult readers All chapters reflect current research and the volume concludes with extensive bibliographies Children's Book Review Index 1981 Cumulative Gary C. Tarbert, 1983-05

Presenting Young Adult Science Fiction Suzanne Elizabeth Reid,1998 In this introduction to science fiction for young adults Reid explores the lives and works of eight major figures of particular interest to teenage readers such as Doug Hill O S Card Douglas Adams and Octavia Butler looking at themes such as feminist science fiction the cyberpunk vogue and humor

*Understanding the World Through Narrative* Steve Bowkett,Tony Hitchman,2023-10-02 While many educational books focus on creative and critical thinking skills this ground breaking work is the first to deal specifically with the ability to understand question and evaluate information presented broadly speaking in story form Story or narrative is central to our understanding of and interaction with the world around us We only have to think of the mini stories encapsulated in many advertisements the way that topics in science the story of human evolution for example in history and other subjects present themselves the power of myths and legends to act as guides to moral behaviour and the pervasive way that gossip rumour and superstition can spread to recognise the benefits of heightening such awareness in young learners *Understanding the World Through Narrative* explores the narrative structure of fiction but uses this as a template to show how the story form appears in mythology and modern urban folklore science history the media including advertising in our internal dialogues stories we tell ourselves about ourselves and others and how narrative structure can be used in curriculum planning to enhance children s learning The book contains over 160 thinking discussing researching activities for use in the classroom and as project work Chapters can be used independently although they are arranged with increasing degrees of sophistication and challenge This fascinating work is an essential resource for any teacher of upper primary and lower secondary students covering not only children s evolving intellectual ability and promoting curiosity and critical engagement but also enhancing their mental and emotional wellbeing

**Children's Books in Print** ,1993 **The Writers Directory** ,1996 **The Whole Story** John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences *Children's Book Review Index: Title index* ,1985 **Children's Book Review Index** ,1985 **Childrens Fiction Index** Kay Burkinshaw,Gayner Eyre,1988 *Top of the News* ,1983

Library Journal ,1981 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *Who's who in Canadian Literature* ,1992 **Genre Favorites for Young Adults** Sally Estes,1993 This bibliography focuses on genre reading using not only traditional categories like humour romance mysteries sports stories science fiction and fantasy but also such popular sub genres as school stories and survival tales Children's Literary Characters Index 1981 Arthur D. Mortimore,1981

*The Cape Librarian* ,1986 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957
