Debating Governance Authenticity Steering And Democracy:

Negotiating Trade Liberalization in Argentina and Chile Andrea C. Bianculli, 2016-12-08 How do international negotiations affect domestic politics Starting in the 1990s countries throughout Latin America embarked on many and simultaneous negotiations On the shifting ground of widening and deepening trade agendas and diverse arenas what factors determined trade politics This book examines the domestic political dynamics triggered by South South North South and multilateral agendas in Argentina and Chile between 1990 and 2005 Using a much needed cross negotiation and cross country comparative perspectives and through detailed empirical analyses of several key negotiations it proposes an explanation that emphasizes the interplay between international negotiations and domestic trade politics taken as the result of the complex and dynamic interdependencies and interrelations between state and society Informed by interviews with public officials businesses and civil society the analysis reveals that variation in the depth of agendas the distributional effects and the uncertainty of political outcomes all have important consequences for domestic preference formation collective action strategies and types of relationships Given this the variety of negotiations when considered separately and comparatively show that South South North South and multilateral processes promote different patterns of trade politics In sum although national specificities and historical legacies are important the book argues that trade policy comes first in creating domestic politics in Latin America

Responsible Tourism David Leslie, 2012 Tourism is one of the world's biggest industries This book discusses responsible tourism as a whole including the politics policy and planning behind it and the major subject sub topics such as poverty reduction the environment transport governance wildlife tours and heritage It is suitable for university libraries and policy makers

The Routledge Handbook of Second Home Tourism and Mobilities C. Michael Hall, Dieter Müller, 2018-04-17 Second homes have become an increasingly important component of both tourism and housing studies They can directly and indirectly contribute a significant number of domestic and international visitors to destinations and may be part of longer term retirement lifestyle and amenity migration that can have significant economic and social effects on communities and destination development This volume offers an overview of different disciplinary and methodological approaches to second homes while simultaneously providing a broad geographical reach Divided into four parts exploring governance development community and mobile second homes the book provides a contemporary account of the major issues in an area of growing international interest This timely handbook covers a wide range of dimensions from planning to the role of second homes in development and the management of their impact The international and cross disciplinary nature of the contributions will be of interest to numerous academic fields in the social sciences as well as urban and regional planners

Tourism and Social Marketing C. Michael Hall, 2014-02-24 Social Marketing is the utilisation of marketing principles and methods to encourage individual and organisational behaviour change for the public good Traditionally the domain of government it is increasingly also utilised by non government and non profit organisations and

other institutions of civil society as a non regulatory means to achieve policy and public good goals At a time when concerns over tourism s contribution to undesirable environmental economic and social change is greater than ever social marketing strategies are important for encouraging more appropriate and desirable behaviours by tourists and the tourism industry Tourism and Social Marketing is the first book to comprehensively detail the relevance of social marketing principles and practice to tourism destination management and marketing By considering this relationship and application of social marketing approaches to key issues facing contemporary tourism development such as the environment this book provides significant insights into how the behaviours of visitors and businesses may be changed so as to develop more sustainable forms of tourism and improve the quality of life of destination communities It further provides a powerful impetus to the development of tourism related forms of sustainable consumption and the promotion of ethical tourism and marketing This innovative book is comprehensive in scope by considering a variety of relevant fields relevant to tourism and social marketing practice including health non profit organisations governance the politics of marketing and consumption consumer advocacy and environmental and sustainable marketing It integrates selected international cases studies to help tourism students engage with the broader debates in social marketing governance and the politics of behaviour change and shows the relationship of theory to practice Written by a leading authority in the field topical and integrative this book will be valuable reading for students scholars and researchers in tourism Handbook on Tourism Governance Jarkko Saarinen,C M. Hall,2025-02-12 This Handbook provides a comprehensive overview of contemporary issues on governance in various tourism research policy and development contexts Expert contributors examine the relationship between governance sustainability resilience and justice in tourism including critical discussions on good governance for tourism in the future **Contested Country** Cathy Robinson,Bruce Taylor,2009-10-28 In Contested Country leading researchers in planning geography environmental studies and public policy critically review Australia s environmental management under the auspices of the Natural Heritage Trust over the past decade and identify the challenges that must be met in the national quest for sustainability It is the first comprehensive critical examination of the local and regional natural resources management undertaken in Australia using research sourced from all states as well as the Northern Territory It addresses questions such as How is accountability to be maintained Who is included and who is excluded in decentralised environmental governance Does the scale of bottom up management efforts match the scale of environmental problems How is scientific and technical fidelity in environmental management to be maintained when significant activities are devolved to and controlled by local communities The book challenges some of the accepted benefits assumptions and ideologies underpinning regional scaled environmental management and is a must read for anyone interested in this field Institutional Theory in Tourism and Hospitality Anna Earl,C. Michael Hall,2021-04-22 Institutions are fundamental aspects for driving tourism and hospitality globally They are the socio economic rules of the game that serve to shape and constrain human and organisational

interactions This book is the first of its kind to provide a comprehensive overview of institutional theory in a tourism and hospitality context The complexity and multiple scaled nature of the institutional environment plays a crucial role in the development and formation of tourism destinations attractions organisations and businesses as well as influencing the activities of individuals Institutional theory therefore provides a means to understand the complexity and processes of change at different scales of analysis and provides insights into the organisational and political basis of tourism policy development and implementation Chapters introduce and expand on institutional analysis in tourism and hospitality institutional theory in the social sciences methodological issues and future directions in institutional analysis in tourism and hospitality making use of case studies throughout This book will appeal to students of tourism hospitality leisure and events as well as other social science disciplines Providing a comprehensive overview of and guide to the application of institutional theory this book will serve as a complete reference to institutional theory in a tourism and hospitality setting for years to come **Directory of**
