Deborah, Available to God Ruthann Ridley,1988

The Spirituality of Otis Clayton, Sr. Otis Clayton Sr.,2023-11-06

This book discusses how the Porch Community helped me locate my writing voice The Porch Community is located in the City of Nashville Davidson County comprising a cross section of writers These writers share a mutual interest in becoming more effective writers The Porch was cofounded by two accomplished writers Susannah Felts and Katie McDougall I composed a sermon as a tribute to how they impacted me through my association as a member of the Porch This book is to let the larger community know that as member of the Porch my interest involves writing nonfiction like personal essays poetry and sermons This is different It expresses my Christian faith relationship with family and friends and interest in falling in love with an intelligent and attractive woman

Life Principles from the Women of the Bible Wayne Barber,Eddie Rasnake,Richard L. Shepherd,1999-05 This book further expands the study of the important women of the Old and New Testaments These characters can show us the life lessons dealing with the ultimate surrender to God in obedience or the failure that comes from a choice of rebellion Women in Scripture will also provide insights for dealing with their homes and the raising of their children all under the theme of Following God fully New themes for understanding the woman s position before God and His plan and answers to many difficult questions are discussed at length in this new book *Sermons:*

Courageous Women In the Bible Otis Clayton,2024-01-16 This is a book of sermons about several courageous women in the Bible which I have identified from the Old and New Testament scriptures I developed or created these sermons because of the bold example from my Mother Elizabeth Murphy Clayton As a single parent this courageous woman raised nine children five sons and four daughters Her five sons all served honorably in the United States Armed Forces Furthermore these sermons about female biblical characters reflect my mother s personality While I created sermons about Deborah Esther Rahab Ruth and Hannah as are five courageous women of the Old Testament I also developed five homilies about five women in the New Testament These brave women are 1 Mary the Mother of Jesus 2 Mary Magdalene 3 Mary of Bethany 4 Priscilla and 5 Lydia in the New Testament These sermons are essentially a male perspective about women who continue to serve as valuable and impeccable role models for how women today especially African American women can serve as courageous examples to achieve excellence in various fields of endeavor The content provided here falls primarily into homiletic

womanist studies with some relevance to African American philosophy religion cultural studies etc *Walking with the Women of the Bible* Elizabeth George,2008-03-01 Meditate on God s Tender Love for Women Just Like You Start or end your day with these powerful one minute reminders of God s work in the lives of women in the Bible You ll find encouragement for your own faith journey as you meet women such as Eve who reflected God s beautiful image to the world Leah who was remembered and blessed by God in her sorrow Deborah who became a humble and godly leader in battle Esther who relied on God for courage in desperate times Mary mother of Jesus who found peace in complete trust As you learn how God has

The Christian Index ,1998 The Morality of Self-Defense and Military Action David B. Kopel,2017-02-16 Shedding new light on a controversial and intriguing issue this book will reshape the debate on how the Judeo Christian tradition views the morality of personal and national self defense Are self defense national warfare and revolts against tyranny holy duties or violations of God s will Pacifists insist these actions are the latter forbidden by Judeo Christian morality This book maintains that the pacifists are wrong To make his case the author analyzes the full sweep of Judeo Christian history from earliest times to the present combining history scriptural analysis and philosophy to describe the changes and continuity of Jewish and Christian doctrine about the use of lethal force He reveals the shifting patterns of thought in both religions and presents the strongest arguments on both sides of the issue The book begins with the ancient Hebrews and Genesis and covers Jewish history through the Holocaust and beyond The analysis then shifts to the story of Christianity from its origins through the Middle Ages and the Reformation up the present day Based on this scrutiny the author concludes that contrary to popular belief the legitimacy of self defense is strongly supported by Judeo Christian scripture and commentary by philosophical analysis and by the respect for human dignity and human rights on which both Judaism and Christianity are based *One Miracle After Another* Jacqueline Kosednar,2000-11-29 Ordinary life is suddenly shattered for an Alaskan family as a trip to a clinic reveals that nine year old Toby Wood doesn t have the flu but a form of childhood cancer called Acute Lymphoblastic Leukemia After 31 months of standard medical treatment including chemotherapy Toby and his family are introduced to the world of alternative healing The race against time quickly becomes a high powered spiritual journey finding a cure for Toby Embracing the spirit of the warrior in all its attributes of courage compassion discipline intelligence and self knowledge Toby
