Decision Making Gods Way A New Model For Knowing Gods Will:

Decision Making God's Way Gary T. Meadors, 2003-09-01 Many Christians are concerned with finding God's will for their lives. In this fresh approach to decision making, Gary Meadors emphasizes that the Bible exhorts followers to do God's will, not to find it. The Bible is clear on many matters, but how can believers know God's will about issues the Bible does not directly address? Meadors offers Christians an objective procedure for decision making, one based on scriptural revelation as well as their biblical worldview and set of values. Godly discernment does not depend on subjective criteria. As believers learn to apply God's truth to daily decisions, they will become more reflective and confident, taking ownership in processing life's difficult choices. *Decision Making God's Way* provides helpful, thought-provoking insight for Christians wanting to know God's plans for their life.

How Then Should We Choose? Douglas S. Huffman, Henry and Richard Blackaby, Garry Friesen and Gordon T. Smith present three principal views on God's will and how his will should affect our everyday decisions as Christians.
