Declare War:

Declaring War Brien Hallett, 2012-08-13 Offers an historical legal constitutional moral and philosophical analysis of the declarations of 1812 1898 and the War Powers Resolution of 1973 **I Declare War** Levi Lusko, 2018-10-30 We all battle inner struggles whether it s self doubt depression fear or anger It s time to get out of your own way Whether you recognize it or not you re at war with yourself There s anxiety Selfishness Self sabotaging tendencies Narcissism Depression The inability to do the great things you long to do because you spend so many hours mindlessly drifting through the internet It is war but all is not lost You can win if you choose to engage In **I Declare War** Levi Lusko candidly shares his struggles with moodiness bullying suicidal thoughts night terrors and difficulty managing himself He identifies four weapons you have at your disposal thoughts words behaviors and power and illustrates how to use them to achieve ongoing victory These practical tools from God s Word will help you learn to Retaliate against your anxiety by filling your heart with truth and making it inhospitable to terror Stop being victimized by your bad behaviors and become the victor you were born to be Overcome self imposed isolation by learning to think right so you can live right Spare your family unnecessary heartache by confronting your dysfunction so they don t have to It s time to stop being your own worst enemy Declare war and become the person the spouse the parent and the leader God intended you to be I Declare War Bible Study Guide Levi Lusko, 2018-10-30 Learn how to win the war in your mind by filling your heart with the truth of the Holy Spirit and defending yourself against harmful thought patterns Whether you recognize it or not you re at war with yourself Anxiety Selfishness Self sabotaging tendencies Narcissism The black dog of depression But whatever your battle may be all is not lost You can win if you choose to engage In this five session video Bible study DVD sold separately Levi Lusko explains how you can fight this battle by declaring war on your thoughts your words and your actions Levi candidly shares about his struggles with moodiness bullying suicidal thoughts and night terrors to show how you with the help of the Holy Spirit can achieve victory by learning to think right so you can live right So that you can claim the victory God has for you The **I Declare War** Study Guide includes Video teaching notes Discussion questions Bible exploration Weekly personal study Reflection materials Sessions include It s Time to Declare War Declaring War on Your Thoughts Declaring War on Your Words Declaring War on Your Actions Your Secret Weapon in the Battle It s time to stop being your own worst enemy It s time to declare war and become the person the spouse the parent the leader God intended you to be Designed for use with **I Declare War** Video Study 9780310094913 sold separately *Thus Saith the Lord, "Declare War Against the Enemies of the Cross Attacking You and the Works of Your Hands"* Apostle Sharon Loving Ruff, 2015-11-30 Apostle Sharon Loving Ruff shares an amazing journey in her quest for a greater anointing from the Lord for spiritual warfare After years of being used in the deliverance ministry she encountered individuals who didn t receive the fullness of relief they desired Being one who had suffered torments from demonic attacks from childhood her heart cried out for their plight One day she decided to experiment with a warfare strategy recorded in Ezekiel 4 in the Bible

The results she sought did not manifest so she lost interest in that approach Years later the Holy Spirit whispered Enemies are all around you Shortly afterwards she received a visit from an Angel of the Lord In a voluminous voice he said Declare war against the enemies of the Cross attacking you and the works of your hands Little did she know that the manner in which she followed those instructions wasn't sufficient to protect the works of her hands or her from the spiritual enemies that the Holy Spirit had told her were surrounding her This truth was revealed about four months later when the Angel of the Lord made his second visit This time his visitation brought a message that was a strong rebuke Her book chronicles her experiences manifested changes in her life and members of her church and ends with an amazing breakthrough She invites others to seek the Lord for permission to use His declaration of warfare prayer delivered by the Angel of the Lord on his third visit

The Lost Art of Declaring War Brien Hallett, 1998-09 Historically it has been assumed that war is violence and declarations of war are simply public announcements that serve to initiate combat Brien Hallett denies both assumptions and claims that war is policy not violence *The Lost Art of Declaring War* analyzes the crucial differences between combat and war and convincingly argues that the power to declare war is in actuality the power to compose a text draft a document write a denunciation Once written the declaration then serves three functions to articulate the political purposes of the war to guide and direct military operations and to establish the boundary between justified combat and unjustified devastation Hallett sounds a clarion call urging the people and their representatives to take up the challenge and write fully reasoned declarations of war Then and only then can a civilized nation like the United States lay claim to being fully democratic not only in peacetime but in wartime as well

Congress Declares War Roland H. Worth, Jr., 2010-06-28 The dramatic events of the Pearl Harbor attack have been covered in detail from a wide variety of approaches What came next the American declaration of war the intervention of Germany and Italy and the U S proclaiming war against them as well has been given considerably less attention This detailed volume fills that gap with careful analysis of how the public and Congress reacted to the attack and how it began to modify their past attitudes toward foreign war Excerpts from the Congressional Record of 1941 support the author's discussion of the debates leading to the decision to declare war The book explores the rationales defending past conduct by those who had been of both interventionist and anti interventionist sentiments as well as their collective effort to forge a national consensus that would support a multi year international conflict Emphasis is also placed on the reasoning behind war not being immediately declared on Germany as well as Japan and the motivations behind Germany's decision to enter the conflict on its own initiative Lengthy attention is given to Jeanette Rankin the only House member to vote against the war
