expositions that are reviewed in the Epilogue supports this point It indicates a significant difference in the attitude of American exposition commissioners who were less attuned to the looming war than their European counterparts The book provides a novel assessment of modern architecture s involvement with national representation Whether in the service of Fascist Italy or of Imperial Japan of Republican Spain or of the post war Franquista regime of the French Popular Front or of socialist Yugoslavia of the arising FRG or of capitalist USA of Stalinist Russia or of post colonial Britain exposition architecture during the period in question was driven by a deep faith in its ability to represent ideology The book argues that this widespread confidence in architecture s ability to act as a propaganda tool was one of the reasons why Modernist architecture lent itself to the service of such different masters *Arts & Decoration* ,1924 **Buildings and Building Management** Frank J.
