Deepest Spiritual Life:

The Practical Steps to the Deeper Spiritual Life Larry Mehaffey, 2012-01-23 In attempting to more effectively communicate the principles of spiritual life to those who sincerely desire a deeper reality in their walk with Christ I have discovered that most people appreciate practical and straightforward instructions and this is especially true when it involves the mystical nature of spiritual life Although spiritual life is not meritoriously attained through natural means or human effort there are several Practical Steps that can be taken to help facilitate the practice of spiritual disciplines The combination of these Practical Steps with the spiritual disciplines themselves will work to promote a dynamic life of faith that will effectively bring the believer into a productive and rewarding relationship with God Man is an intentional creation of divine wisdom explicitly designed to fulfill a sacred purpose Agape love requires a soul to empty the wealth of its humanity upon the altar of God as a willing sacrifice If determination is to live up to its potential in promoting the spiritual life it must be united with some very fundamental practical steps Heaven should not be a culture shock to the consciousness of the believer it should be a gradual final step into the glorious reality of a spiritual life whose progress began at conversion Divine pleasure must be the goal of human effort not divine favor The genuineness of what we actually believe is nowhere so obviously exposed as in our daily schedules It does not take overtly carnal acts to corrupt the days of a mans life for inattention and idleness produce the same result as evil actions or wicked intentions Liberty must always precede service if either are to be authentic It is our great love for the Father not our initial desire for salvation that motivates and liberates the sincere believer to live a life of chosen obedience to God

The Deeper Life A. W. Tozer, 2022-12-06 Christians often know the theory of the Spirit filled life but not the joy filled experience Pastor and theologian A W Tozer said that Christians often know nothing personally about the inner fire of a Spirit filled life This timely voice provides a timeless glimpse into spiritual maturity and growth The deeper life is deeper only because the average Christian life is tragically and unnecessarily shallow Tozer examines our lack of personal zeal and its causes Why do we settle for peace of mind and material prosperity What can we do with our fears disappointments and disillusionment In The Deeper Life Tozer demonstrates how the ancient heart thirst felt by all of us can only be quenched by the personal presence of God Himself We must press on to enjoy in personal inward experience the exalted privileges that are ours in Christ Jesus We must surrender our whole beings to the power of the cross We must die to our sins our righteousness and everything in which we formerly prided ourselves We must be willing to make Christ our one supreme Lord Tozer wants to ignite a divine fire in our souls Readers examine their relationship to the Holy Spirit discover the value of spiritual gifts and follow sequential steps to living The Deeper Life
