Escape Freelancing And Build Real Equity: Stop Trading Time, Start Owning Assets Simon Schroth, 2025-04-23

Freelancing can be an excellent way to earn income but it doesn't build long term wealth or equity. *Escape Freelancing and Build Real Equity* teaches you how to transition from a time for money model to building a business that generates wealth and owns valuable assets. This book covers how to develop a productized service or digital product, invest in assets like intellectual property and create a brand that increases in value over time. You'll learn how to build systems that automate your business operations, leverage recurring revenue models and hire a team to scale your business. The book also provides strategies to create a lasting legacy that generates passive income even when you're not actively working. If you want to escape the endless cycle of freelancing and build real wealth, *Escape Freelancing and Build Real Equity* gives you the tools to create long term scalable assets.

Flexible Working Practices and Approaches Christian Korunka, 2021-10-25

Modern workplaces are following a strong trend of increasing flexible working practices and approaches, offering more flexibility in working times, working places, work organization, and work relations as the result of new information and communication technologies. This book brings together a group of internationally recognized experts in the field of flexible work to examine the psychological and social implications of these practices, describing the current state of research and empirically based practices in this field. It focuses on organizational, job, and individual factors related to the quality of working life and identifies potential risk groups where the benefits of flexible work are suppressed or not realized. Ideal for organizations implementing or considering implementing flexible work for professionals and researchers in work and organizational psychology, and for HR professionals, this volume is an invaluable overview of rapidly changing work norms and their impact on working life.
