Content Creation Handbook Aurelius Tjin,2021 If you re a blogger video marketer internet marketer or an information product creator you ve no doubt struggled with the question of content You can have the best ideas but if you don t know how to use that idea to build quality content for a website it probably won t be successful When it comes to your website every part is important Sure you want the right font color design etc The most important part of your website however is your content Without quality content your website cannot survive It is important to remember Content is everything When you first start your site you give a great deal of time to picking out the perfect domain name There s a reason you select a good domain name It s where your site lives If your website is your domain then think of content as the king of that domain In other words content rules Many start up businesses and even established business owners who ve decided it s time their business had a professional web presence don t know where to start when it comes to planning their website There are so many things to consider and so many choices Just getting the design and layout of the website can be

intimidating Then you have to determine what will be on the site It can be mind boggling Sometimes by the time you get to the content portion of the site your brain is fried from trying to make the other decisions When you begin to think about the content you're probably asking yourself What do I write about The Content Creation Handbook or Where do I start If so you've come to the right place You only have one chance to make that first impression If you take your content seriously then your audience will too You want your audience to visit your site over and over again If you provide quality content for them time and time again they will keep returning to your site Getting started is the most important step If you know how to write you are already 95% of the way there You don't need to be an English major to understand any of the tips in this book either It is written in plain English that everyone can understand Writing for the internet requires different skills to those covered in most school writing lessons If you've never been much of a writer starting writing as an adult may seem difficult The upside of that is that as an adult you have more experience skills and knowledge that you can share with your readers This knowledge skills and experience can be valuable to you and to others Writing an article series of articles or blog posts can be an excellent way to share what you know and what you've experienced with your audience While the writing you need for your site can be outsourced to professionals it is very possible and definitely more personal for you to do it yourself That's what the tips in this book can help you do Professional content writers are exactly that professional They take their jobs seriously When a professional writer has been provided with instructions from a client they read them carefully to get an understanding of what is required The problem with outsourcing to a professional is they don't know what you know or haven't experienced the things that you have They don't know how you feel In other words they don't have your heart They can write in the way you instruct them but they can't write with your heart They can give information but they can't give a reader a sense of who you are They can't share your personal experiences with the same passion you feel Writing your own content can also be a very rewarding experience It can help you make a personal connection with your readers It gives them a sense of who you are because you will be sharing your knowledge thoughts and feelings in everything you write Writing content that connects to your readers is what you want to do If you've never written anything for a website before don't worry You're not alone That's why you're reading this book The information here will help you create that quality content For your convenience the book is sectioned into the four main content areas articles blog posts ebooks and videos Together there are 70 great tips to give your website the WOW factor

Understand Blog Content Writing Aysegul Balkose, 2021-05-17 Story It is about a story the plot and its characters You blog writers are storytellers Here is the twist you are also one of the main characters The blog has an angle for the plot and its perception of the world around it Blog as an entity has an identity the way of thinking and acting It has ideas of its own It is a great help to define these for the blog and yourself as the writer before you start chucking in your best ideas and publishing them Blogs want to be found on Google For this their content should be countered on the Reader Not everyone will use the same words

to search To search relevant content they will use Semantic words Your job is to write content which covers these Semantic search The reason I am writing this book is because it would make me feel so happy if I can help people understand the core concepts of blog writing This was a struggle for me when I started writing blogs I believe that knowing a basic working structure gives people the opportunity to leap forward faster By helping others to decode basic concepts I know I am also helping myself as I embark on another journey of taking responsibility My mission is to make people learn some life changing concepts quicker regardless of where they find themselves in life
