Deathstalker Return:

Deathstalker Return Simon R. Green, 2005-02-01 Branded an outlaw and hunted by agents of the Empire Lewis Deathstalker must stop the encroaching Terror that threatens all of humanity But he can succeed only with the help of Owen Deathstalker who supposedly died more than 200 years ago Deathstalker Return Simon R. Green, 2016-08-03 Take a journey through the Age of Heroes After falling in love with the king s intended Lewis Deathstalker is now exiled an outlaw from the empire he faithfully served for so long With Lewis out of the way former Paragon Finn Durandal has led a silent coup to wrest control from the king and set himself up as the power behind the throne But Durandal is not the Empire s biggest threat The Terror that Owen Deathstalker prophesied nearly 200 years ago is almost upon them and Owen is supposedly the only one who can save civilization from unspeakable horrors Lewis unwilling to believe that the galaxy s savior is dead sets off to the darkest reaches of the Galaxy to find his lost ancestor Lewis intends to retrace Owen s footsteps and overturn every possible lead But with Finn in control of the empire s massive forces he is outmanned and outgunned at every turn Lewis must stay one step ahead of Finn s ever expanding reach if he has any hope of discovering Owen s fate Note from Publisher This book was originally published as Book 7 in the Deathstalker series Deathstalker Coda Simon R. Green, 2006-03-07 The Deathstalker series reaches its exciting conclusion in New York Times bestselling author Simon R. Green s adventurous novel of a galaxy in chaos More than two centuries ago angry and grief stricken after losing Owen Deathstalker Hazel d Ark entered the Madness Maze which fed off her raw emotions and transformed her into The Terror a force capable of devouring galaxies To stop her the recently resurrected Owen must use the powers he gained during his own stay in the Madness Maze and go back in time to prevent Hazel s transformation Now without Owen to guide him Lewis Deathstalker has no choice but to assume command of an Imperial fleet loyal to the Deathstalker legacy and lead it to victory over Finn Durandal the despot who seized the throne Lewis knows that he has been branded a traitor by the Empire But when he learns that Finn has executed his entire family his mission to overthrow his former friend s tyranny is secondary to his desire for revenge **Sequels** Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series Death Shall Come Simon R. Green, 2025-06-26 The New York Times bestselling author continues his otherworldly Ishmael Jones noir mystery series as an ancient mummy foreshadows a macabre murder Death shall come on swift wings to whoever desecrates this tomb So declared the supposed curse laid upon those who opened the tomb of Tutankhamun Ishmael Jones however is concerned with a different Egyptian altogether when he and his lady love Penny are personally tasked by the enigmatic Colonel to attend a very special event at the stately Cardavan House Specifically the exhibition of the sarcophagus of the very first queen in the line of Cleopatra an artifact beyond value The Colonel would like to know just how collector George Cardavan a supposedly trusted associate of the Organization managed to acquire it That investigation quickly turns into

something much more insidious when the sarcophagus is found open with no mummy and George's brutally murdered corpse nearby. Naturally, whispers of deadly curses abound. But Ishmael knows the killer is all too real; the only question is who. A member of the fractious Cardavan family? A thief willing to kill for treasure? Or is it something else? Something far more dangerous. Something that can be heard walking in the darkest corridors of Cardavan House, searching for its next victim.

Into the Thinnest of Air Simon R. Green, 2025-06-26 The New York Times bestselling author continues his genre-bending Ishmael Jones noir mystery series in a tale of missing persons and murder. For otherworldly investigator Ishmael Jones, a chance to get away to the relaxing countryside doesn't come along every day or ever actually. His paramour Penny is taking him to the grand reopening of the historic Cornwall inn known as Tyrone's Castle, a place with a long dark history of smugglers, murderers, and sinister spirits. What could go wrong? A great deal, as it turns out. It begins after a cordial dinner with the other guests when one of the hosts disappears without a trace before she can even finish her dessert. As fear and suspicion begin to infiltrate the inn, another person vanishes, and it seems as if the inn's dark history has awakened to claim a new slew of victims. Ishmael doesn't believe there's anything supernatural or ghostly behind the night's events. And the more he learns, the more he's certain that the key to solving the mystery lies not in the past but the present. Unfortunately, he has no bodies, no clues, no witnesses, no evidence of any chicanery whatsoever. But for a man like Ishmael, that just makes things a little more interesting.

[Drinking Midnight Wine](#) Simon R. Green, 2014-07-28 There is a world beyond the world. It figures. Just when Bradfordian bookshop clerk Toby Dexter finally works up the nerve to talk to his secret crush, she darts into an open door. Toby follows, and in that second, everything changes. Though it still looks like Bradford on Avon, the town's suddenly chatty. ATM and river mermaids are the first clues that something is quite out of place, namely Toby. The moment he stepped through that door, Toby entered the magical parallel world of Mysterie. Our ordinary dimension, the one Toby knew as Bradford on Avon, is actually Veritie, a mere shadow of its alter ego, Mysterie, where magic and myth, gods and monsters, living legends, and walking nightmares reign. And Toby isn't the only recent arrival. A cunning and vicious demon, The Serpent's Son, has returned to Mysterie, accompanied by a malevolent new ally intent on bringing down both dimensions. Toby can remain mortal, return to Veritie, and try to convince himself that he had a bad pint of bitter that night. Or he can stay in Mysterie, join forces with his new friends Leo Morn and his Brother Under The Hill, and try to stop The Serpent's Son. The choices Toby makes will have dramatic consequences for both worlds. It may not be the first time Mysterie's wars have spilled over into our reality, but if Toby fails, it could be the last. Simon R. Green, New York Times bestselling author of the Deathstalker series and the Nightside series, brings his trademark wit and inventiveness to his beloved hometown of Bradford on Avon in this charming standalone urban fantasy novel.
