Deathwish World:

Deathwish World Mack Reynolds, Dean Ing, 2017-09-28 Life under a Deathwish policy was fun while it lasted but for Deathwisher Roy Cos it was far more than that For him gaining access to great wealth in exchange for becoming a target for hired killers was a political act You can buy a lot of media attention with a million pseudobucks and Roy had a cause worth dying for Already Roy has survived twice the term of the average Deathwisher and people are getting interested in what he has to say That s why Worldgov has labeled him a Special Case and put Mercenaries Inc on his trail No matter how smart and tough he may be no matter how just his cause even flight to High Orbit can t save Roy now **The Death Wish - Pitch & Sickle Book Eight** D K Girl ,2024-09-13 The Final Instalment in The Diabolus Chronicles Silas Mercer and Tobias Astaroth have faced untold difficulties survived horrific attacks and known heart breaking loss on their way to where the Watcher King awaits Yet through it all their bond has only deepened and their surprising connection is now all but unbreakable They have learned to trust each other rely on each other and against all odds love Now Blood Lake is closer than it s ever been before This is what they have fought for This is what has driven them through trials and tribulations beyond their wildest imaginings To rid the human world of the curse of the Blight To destroy Samyaza s lost halo The simurgh is one last journey away from Seraphiel s Sanctuary Pitch Sickle s quest is almost at its end But will a High Angel s Cultivation be enough to right an ancient wrong Or will Blood Lake demand more sacrifice The Death Wish concludes the historical fantasy adventure series The Diabolus Chronicles **Joe Hill** Franklin Rosemont,2015-12-18 A monumental work expansive in scope covering the life times and culture of that most famous of the Wobblies songwriter poet hobo thinker humorist martyr Joe Hill It is a journey into the Wobbly culture that made Hill and the capitalist culture that killed him Many aspects of the life and lore of Joe Hill receive their first and only discussion in IWW historian Franklin Rosemont s opus In great detail the issues that Joe Hill raised and grappled with in his life capitalism white supremacy gender religion wilderness law prison and industrial unionism are shown in both the context of Hill s life and for their enduring relevance in the century since his death Collected too is Joe Hill s art plus scores of other images featuring Hill inspired art by IWW illustrators from Ralph Chaplin to Carlos Cortez as well as contributions from many other labor artists As Rosemont suggests in this remarkable book Joe Hill never really died He lives in the minds of young and old rebels as long as his songs are sung his ideas are circulated and his political descendants keep fighting for a better day **Life, Death, and Living With a Death Wish** R. E. Day,2012-09-03 Although Roy Day never accepted the reality that he had a death wish his friends and family did and commented on it repeatedly He just thought he went at Life real hard Roy experienced multiple near death and close call experiences His family quit counting at thirteen some estimates run up to eighteen Roy fell seven stories went into the White Light and came back and that was just the beginning At times on a spiritual journey and other times he drove too fast drank too much and had multiple girlfriends After the Death Wish poems there are sections of political historical and social commentary poems

Goth's Dark Empire Carol

Siegel,2005-08-04 In *Goth's Dark Empire* cultural historian Carol Siegel provides a fascinating look at Goth a subculture among Western youth It came to prominence with punk performers such as Marilyn Manson and was made infamous when it was linked erroneously to the Columbine High School murders While the fortunes of Goth culture form a portion of this book's story Carol Siegel is more interested in pursuing Goth as a means of resisting regimes of sexual normalcy especially in its celebration of sadomasochism S M The world of Goth can appear wide ranging from films such as *Edward Scissorhands* and *The Crow* to popular fiction such as Anne Rice's vampire novels to rock bands such as Nine Inch Nails But for Siegel Goth appears as a mode of being sexually undead and loving it What was Goth and what happened to it In this book Siegel tracks Goth down reveals the sources of its darkness and shows that Goth as a response to the modern world has not disappeared but only escaped underground

The Death Wish in the Hebrew Bible Hanne Løland Levinson,2021-09-23 This is the first book to systematically investigate the texts in the Hebrew Bible in which a character expresses a wish to die Contrary to previous scholarship on these texts that assumed these death wishes were simply a desire to escape suffering Hanne L land Levinson employs narrative criticism and conversation analysis together with diachronic methods to carefully hear each death wish text in its literary context She demonstrates that death wishes embody powerful multi faceted rhetorical strategies Grouping the death wish texts into four main rhetorical strategies of negotiation expression of despair and anger longing to undo one's existence and wishing for a different reality L land Levinson portrays the complex reasons why characters in the Hebrew Bible wish for death She concludes that the death wishes navigate the tension between longing for death and fighting for survival a tension that many live with also today as they attempt to claim agency and autonomy in life
