Debaters and Dynamiters David Hubert Grover, 1964 Debaters and Dynamiters David H. Grover, 1964 The Day Wall Street Exploded Beverly Gage, 2009 Just after noon on September 16 1920 as hundreds of workers poured onto Wall Street for their lunchtime break a horse drawn cart packed with dynamite exploded in a spray of metal and fire turning the busiest corner of the financial center into a war zone Thirty nine people died and hundreds more lay wounded making the Wall Street explosion the worst terrorist attack in U S history until the Oklahoma City bombing In The Day Wall Street Exploded Beverly Gage tells the story of that once infamous but now largely forgotten event Based on thousands of pages of Bureau of Investigation reports this historical detective saga traces the four year hunt for the perpetrators a worldwide effort that spread as far as Italy and the new Soviet nation It also gives readers the decades long but little known history of homegrown terrorism that helped to shape American society a century ago The book delves into the lives of victims suspects and investigators world banking power J P Morgan Jr labor radical Big Bill Haywood anarchist firebrands Emma Goldman and Luigi Galleani America s Sherlock Holmes William J Burns even a young J Edgar Hoover It grapples as well with some of the most controversial events of its day including the rise of the Bureau of Investigation the federal campaign against immigrant terrorists the grassroots effort to define and protect civil liberties and the establishment of anti communism as the sine qua non of American politics Many Americans saw the destruction of the World Trade Center as the first major terrorist attack on American soil an act of evil without precedent The Day Wall Street Exploded reminds us that terror too has a history Praise for the hardcover Outstanding New York Times Book Review Ms Gage is a storyteller she leaves it to her readers to draw their own connections as they digest her engaging narrative The New York Times Brisk suspenseful and richly documented The Chicago Tribune An uncommonly intelligent witty and vibrant account She has performed a real service in presenting such a complicated case in such a fair and balanced way San Francisco Chronicle **The American Paradox** Patrick J. Gallo, 1999 **The Selected Works of Eugene V. Debs Vol. IV** Tim Davenport, David Walters, 2025-12-16 Volume 4 Red Union Red Paper Red Train 1905 1910 gathers for the first time approximately 180 articles speeches letters and interviews from the prime years of American socialist and labor leader Eugene V Debs These include materials relating to some of the great events for which the Indiana orator is best remembered the founding of the Industrial Workers of the World the red union his move from freelance oratory to employment on the staff of the mass circulation Appeal to Reason the red paper and his coast to coast 1908 campaign for president of the United States aboard the legendary Socialist Red Special the red train These were years of bitter struggle between concentrated capital and the fragmented and exploited labor movement The period was marked by the illegal arrest and secretive extradition of Western Federation of Miners officials Charles H Moyer and William D Haywood in 1906 and the sensational legal proceedings which followed activity which garnered Debs full commitment for more than a year **Men, Mobs, and Law** Rebecca

Sederberg,2001 The Dynamite Conspiracy is a narrative driven retelling of the bombing of the anti Union Los Angeles Times by Union Terrorists in 1910 The attack killed 20 people After a six month search by a bulldog detective William Burns the two conspirators were caught and put on trial in Los Angeles The era s top defense attorney Clarence Darrow who was hired by Samuel Gompers of the American Federation of Labor defended them Darrow eventually pleaded his clients guilty to save them from execution He was himself put on trail however on a charge of jury bribery After a sensational three month trial defended by the legendary Earl Roger Darrow was exonerated returned to Chicago and went on to bigger cases **Talkin' Socialism** Elliott Shore,1988 In this history of radical publishing at the turn of the century Elliott Shore focuses on the Appeal to Reason the flagship newspaper of J A Wayland s publishing empire As modern periodical publishing came of age with the appearance of the first mass circulation newspapers and magazines so too did both populism and socialism in the US They drew strength from the same factors the advance of technology spreading industrialisation the growth and concentration of urban populations and rising literacy rates American Political Trials Michal R. Belknap,1981 An updated and expanded revision of a popular book published in 1981 American Political Trials examines the role of politicized criminal trials and impeachments in U S history from the early colonial era to the late 20th century Each chapter focuses on a trial representative of a particular era in the American past The emphasis is on cases that resulted from political persecution but the book also shows how defendants have exploited the judicial process to advance their political objectives All of the chapters appearing in the earlier book have been updated In addition the volume includes new chapters on the 1637 trial of Anne Hutchinson and the 1989 trial of Lt Col Oliver North for his role in the Iran Contra scandal The book also includes an updated bibliographical essay Race and Human Rights Curtis Stokes,2008-10-16 The terrorist attacks against U S targets on September 11 2001 and the subsequent wars in Afghanistan and Iraq sparked an intense debate about human rights According to contributors to this provocative book the discussion of human rights to date has been far too narrow They argue that any conversation about human rights in the United States must include equal rights for all residents Essays examine the historical and intellectual context for the modern debate about human rights the racial implications of the war on terrorism the intersection of racial oppression and the national security state Others look at the Pinkerton detective agency as a forerunner of the Federal Bureau of Investigation the role of Africa in post World War II American attempts at empire building and the role of immigration as a human rights issue **Populism in the Western United States, 1890-1900** David B.
