Decentralizing Education In Transition Societies Case Studies From Central And Eastern Europe:

Decentralizing Education in Transition Societies Ariel Fiszbein, 2001-01-01 This book is about education system reform in Central and Eastern Europe with emphasis on decentralization and management In the past local authorities served as implementation arms of the central ministry while finance and decision making were controlled by the central government leaving local communities with little influence New education laws in most countries of the region have altered this balance A moderate approach may be the least disruptive short term solution for societies undergoing socioeconomic transition In 1997 the World Bank Institute participated in a research project to study intergovernmental roles in the delivery of education services in the Czech Republic Hungary Poland Albania Bulgaria and Romania Each country assembled a research team of academics educators and policy advisors led by an education specialist Each team produced a report which was discussed and revised during four information sharing seminars and they are presented here The challenge these countries face is how to develop new institutions that can effectively enlist state civil society and private sector resources to achieve educational goals This book should be of interest to educators and other readers interested in Central and Eastern European area studies Its multidisciplinary methodology will also provide useful insights to development policymakers in other sectors RT *The World Bank Research Program 2001* World Bank, World Bank Staff, 2001-01-01 This publication is a compilation of reports on research projects initiated under way or completed in fiscal year 2001 July 1 2000 through June 30 2001 The abstracts cover 150 research projects from the World Bank and grouped under 11 major headings including poverty and social development health and population education labor and employment environment infrastructure and urban development and agriculture and rural development The abstracts detail the questions addressed the analytical methods used the findings to date and their policy implications Each abstract identifies the expected completion date of each project the research team and reports or publications produced

(Post)Socialist Transformation of Primary Schools

Jiří Zounek, Oto Polouček, Michal Šimáně, 2024-05-09 This book addresses the transformation of primary education in the former Czechoslovakia now the Czech Republic after the fall of the communist regime in 1989 It follows the overall transformation of education and school policy and offers original insights into the everyday life of the schools at that time It also provides a unique perspective on the whole transformation process The work discusses the school environment in the context of specific local characteristics such as parents community regional institutions and national and international contexts The book specifically focuses on the changes in primary school management in terms of economics organization and personnel The processes of pedagogical change are an essential theme of the book They cover how teachers proceeded through the changes in their work at the time of the transformation and the reasons for their resistance to change including the challenges that the transformation introduced into their work and personal lives The book also monitors how the teachers navigated the selection and use of new textbooks and tools such as digital tools The work originates in historical pedagogical

research based primarily on the oral history method and complemented by the study of contemporary documents

Historical Dictionary of the World Bank Sarah Tenney, Anne C. Salda, 2013-10-30 When it was founded back in 1944 no one could possibly have foreseen how the World Bank known more formally as the International Bank for Reconstruction and Development IBRD would flourish Today with 188 members it is by far the largest lender for projects in agriculture health infrastructure and many other fields in developing countries around the world with a budget of billions of dollars and a staff of more than 9 000 and its advice is usually heeded by both the developing countries which borrow from it and the advanced ones which contribute This second edition of the Historical Dictionary of the World Bank shows the substantial progress the Bank has made this mainly through the dictionary section with concise entries on its component institutions related organizations its achievements in various fields some of the major projects and member countries and its various presidents The introduction explains how the Bank works while the chronology traces the major events over nearly 70 years Meanwhile the list of acronyms reminds us just who the main players are And the bibliography directs readers to useful internal documentation and outside studies *A Guide to the World Bank* ,2003 The World Bank Group works in more than 100 developing economies and is one of the world s largest sources of development assistance In 2002 the institution provided US 19 5 billion in loans to its client countries This guide reviews the organisation s history objectives and operations and looks at the five institutions that make up the World Bank Group the International Bank for Reconstruction and Development IBRD the International Development Association IDA the International Finance Corporation IFC the Multilateral Investment Guarantee Agency MIGA and the International Centre for Settlement of Investment Disputes ICSID

Lifelong Learning in the Global Knowledge Economy ,2003 The growth of the global knowledge economy is transforming the demands of the labour market in economies worldwide It will require workers to develop new skills and knowledge whilst education systems will need to adapt to the challenges of lifelong learning and these changes will be as crucial in transition and developing economies as it is in the developed world This publication explores how lifelong learning systems can encourage growth discusses the changing nature of learning and the expanding role of the private sector in education and considers the policy and financing options available to governments to address the challenges of the global knowledge economy **Resources in Education** ,2001-10 *HMSO Agency Catalogue* Great Britain. Growth, Poverty, and Inequality Asad Alam, Mamta Murthi, Ruslan Yemtsov, 2005 Eastern Europe and the Former Soviet Union have witnessed a significant decrease in poverty since the Russian financial crisis of 1998 99 Almost 40 million people moved out of poverty from 1998 2003 Three key factors contributed to poverty reduction growth in wages growth in employment and more adequate social transfers But poverty and vulnerability persist more than 60 million people live on less

than 2 a day In their recommendations the report s authors urge countries to continue with enterprise sector reforms boost rural growth promote opportunities in lagging regions increase access to good quality basic services and produce better social safety nets especially for the working poor and children Bibliographic Guide to Education ,2001 lists publications cataloged by Teachers College Columbia University supplemented by The Research Libraries of The New York Public Library *Encyclopedia of Education* James W. Guthrie,2003 Intended to provide a comprehensive description of the enterprise of education both within the United States and throughout the world Approximately 900 articles offer a view of the institutions people processes and products found in educational practice *World Bank Policy Research Bulletin* World Bank,1999 **Publications Update** World Bank,1996 Human Development Report ,2004 From Red to Gray Mukesh Chawla,Gordon Betcherman,Arup Banerji,2007 Conventional wisdom holds that aging populations are unfavorable for economic growth because of their potential impacts on labor supply productivity and savings When this is coupled with the increased spending pressures because of pension requirements and health care aging societies are likely to face serious fiscal problems This report addresses these concerns in the unique context of Eastern Europe and the former Soviet Union where many countries are aging rapidly without the economic resources and institutional capacity of other aging societies in Western Europe and Japan Teacher Learning for Curricular & Instructional Reform in Japan Anne M. Hooghart,2005

Decentralizing Education In Transition Societies Case Studies From Central And Eastern Europe: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. Decentralizing Education In Transition Societies Case Studies From Central And Eastern Europe : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Decentralizing Education In Transition Societies Case Studies From Central And Eastern Europe : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
