Deciphering Shanghai:

Deciphering Shanghai, 1990-2000 Kang Yan,2002 Women Writers in Postsocialist China Kay Schaffer,Xianlin Song,2013-07-31 What does it mean to read from elsewhere Women Writers in Postsocialist China introduces readers to a range and variety of contemporary Chinese women's writing which has seen phenomenal growth in recent years The book addresses the different ways women's issues are understood in China and the West attending to the processes of translation adaptation and the grafting of new ideas with existing Chinese understandings of gender feminism subjectivity consumerism and post modernism By focusing on women's autobiographical biographical fictional and historical writing the book engages in a transcultural flow of ideas between western and indigenous Chinese feminisms Taking account of the accretions of social cultural geographic literary economic and political movements and trends cultural formations and ways of thinking it asks how the texts and the concepts they negotiate might be understood in the social and cultural spaces within China and how they might be interpreted differently elsewhere in the global locations in which they circulate The book argues that women centred writing in China has a direct bearing on global feminist theory and practice This critical study of selected genres and writers highlights the shifts in feminist perspectives within contemporary local and global cultural landscapes

Conference Interpreting in China Riccardo Moratto, Irene A. Zhang, 2023-06-20 In this landmark project Moratto and Zhang evaluate how conference interpreting developed as a profession in China and the directions in which it is heading Bringing together perspectives from leading researchers in the field Moratto and Zhang present a thematically organized analysis of the trajectory of professional conference interpreting in China This includes discussion of the pedagogies used both currently and historically the professionalization of interpreter education and future prospects for virtual reality multimodal conferences and artificial intelligence Taken as a whole the contributors present a rich and detailed picture of the development of conference interpreting in China since 1979 its status today and how it is likely to develop in the coming decades An essential resource for scholars and students of conference interpreting in China alongside its sister volume The Pioneers of Chinese Interpreting Insiders Accounts on the Rise of a Profession The Rise of Conference Interpreting in China Irene A. Zhang, Riccardo Moratto, 2023-11-03 In this landmark project Professor Zhang and Professor Moratto piece together the history of how conference interpreting developed as a profession in China after the reform and opening up of the late 1970s Based on interviews with the alumni of the early efforts to develop conference interpreting capabilities between Chinese and English and French the authors illuminate the international programs and relationships which were instrumental in bringing this about While paying tribute to the earliest interpreters who interpreted for the first generation CPC leaders including Mao Zedong Zhou Enlai and Deng Xiaoping they track key cooperative projects between Chinese ministries and both the United Nations and European Union as well as China's domestic efforts which developed into today s formal programs at major universities An essential resource for scholars and students of conference interpreting in China

alongside its sister volume Conference Interpreting in China Practice Training and Research **Education for International Understanding in China** Rong Zhang, 2022-11-04 Identifying the essential feature of education for international understanding advocated by the United Nations Educational Scientific and Cultural Organization UNESCO the book explores how Chinese schools have implemented education for international understanding since the 1980s Through vivid cases the author introduces the practice of education for international understanding in Chinese primary and middle schools Based on the questionnaire survey she analyzes the international understanding competence of Chinese students and teachers Furthermore she discusses the current dilemma and proposes possible solutions for Chinese education for international understanding in the future While providing a window into China's contemporary education for the international community the book can also be used as a reference for educational policymakers educational researchers and primary and secondary school teachers in other countries PISA 2012 Results: What Students Know and Can Do (Volume I) Student Performance in Mathematics, Reading and Science OECD, 2013-12-03 This first volume of PISA 2012 results summarises the performance of students in mathematics reading and science in PISA 2012 Corpora in Interpreting Studies Andrew K.F. Cheung, Kanglong Liu, Riccardo Moratto, 2023-12-01 Cheung Liu Moratto and their contributors examine how corpora can be effectively harnessed to benefit interpreting practice and research in East Asian settings In comparison to the achievements made in the field of corpus based translation studies the use of corpora in interpreting is not comparable in terms of scope methods and agenda One of the predicaments that hampers this line of inquiry is the lack of systematic corpora to document spoken language This issue is even more pronounced when dealing with East Asian languages such as Chinese Japanese and Korean which are typologically different from European languages As language plays a pivotal role in interpreting research the use of corpora in interpreting within East Asian contexts has its own distinct characteristics as well as methodological constraints and concerns However it also generates new insights and findings that can significantly advance this research field A valuable resource for scholars of scholars focusing on corpus interpreting particularly those dealing with East Asian languages PISA PISA 2012 Results: What Students Know and Can Do (Volume I, Revised edition, February 2014) Student Performance in Mathematics, Reading and Science OECD, 2014-02-11 This first volume of PISA 2012 results summarises the performance of students in PISA 2012 It describes how performance is defined measured and reported and then provides results from the assessment showing what students are able to do Millard's Review of the Far East ,1920 Vol 34 includes Special tariff conference issue Nov 6 1925 The Empire Review Clement Asia, Inc ,1996 Kinloch Cooke, 1901 The Theatrics of Revolution Liang Luo, 2006 Chinese Historians .1990 Empire Review ,1901 Ice and Refrigeration ,1927 Writing and Materiality in China Judith T.
