Economic Development and Policy Jan Fagerberg,2018-04-27 This authoritative and enlightening book focuses on
fundamental questions such as what is innovation who is it relevant for what are the effects and what is the role of innovation
policy in supporting innovation diffusion The first two sections present a comprehensive overview of our current knowledge
on the phenomenon and analyse how this knowledge and the scholarly community underpinning it has evolved towards its
present state The third part explores the role of innovation for growth and development while section four is concerned with
the national innovation system and the role of innovation policy in influencing its dynamics and responding to the important
challenges facing contemporary societies **The British Library General Catalogue of Printed Books to 1975** British
