## **Deep Enough For Ivorybills Brown Thrashers:**

Deep Enough for Ivorybills James Kilgo, 2013-06-21 This is the account of a man's initiation into the outdoors heritage of his home territory Jim Kilgo was born and raised not too far from the bottomlands of the Great Pee Dee River in South Carolina but it was not until he was grown that he began to respond to the powerful lure of the forests fields and swamplands of the South and the wildlife that inhabit them For Kilgo reentry into the wilderness becomes a window on the life that men can lead within nature and out of it His tales of hunting and fishing will delight anyone who has ever used rod or gun yet by no means is this a book for devotees of hunting alone What is rediscovered here illuminates the lives of human beings who all too often unknowingly are integrally part of the larger rhythms of nature and the seasons Deep Enough for Ivorybills ,1995 With refreshing humor Kilgo takes readers into the unexplored woods of South Carolina and reveals the mysteries and traditions of hunting fishing and nature that he's learned there in a thoughtful book of autobiographical sketches 15 line drawings **Poets & Writers** ,1995 **Daughter of My People** James Kilgo, 2007-04-01 From the threads of actual events acclaimed essayist James Kilgo weaves a richly textured debut novel set in rural South Carolina in the early 20th century telling the story of two brothers and their cousin a mixed race woman whom one brother loves and the other dishonors **The News-letter of the Society for the Study of Southern Literature** Society for the Study of Southern Literature, 1995 Colors of Africa ,2007-09-01 An account of the author's journey through Africa recounts his experiences as an observer during a big game safari hunt with local villagers and in caves and overhangs where he examined ancient cave paintings Travel American Book Publishing Record ,1996 Country-side ,1911 Science gossip and Country queries and notes are incorporated with this **The Scissortail** ,1960 **Scissortail** ,1964 Inheritance of Horses James Kilgo, 1995-10-01 Reconciliation and remembering are the forces at work in Inheritance of Horses In these essays James Kilgo seeks the common ground between his roles as a man as husband and father and as heir to his family legacy Pausing at mid life to make an eloquent understated stand against our era's rootlessness he honors friendship kinship nature and tradition In the opening section Kilgo focuses on the tension between his need for ritualistic male camaraderie and his familial obligations Searching the woods for arrowheads sitting around the dinner table at a hunting lodge or careening down an abandoned logging road in a pickup he seems ever prone to the intrusions of domesticity and civilization a sudden memory of miring the family station wagon in the sand on a beach trip an encounter with a couple on their sixtieth wedding anniversary a stream littered with trash and stocked with overbred hatchery trout Restlessness and responsibility converge and again clash in the second series of essays in which domestic themes are explored in settings that range from Kilgo's own living room to Yellowstone Park and the deep waters off the Virgin Islands Through such images as a hornet's nest a gale force storm a grizzly bear and a marlin Kilgo gauges the strengths and vulnerabilities of his family and moves toward an existence that is part of not apart from the women in his life The long title essay composes the book's final section Reading

through a cache of letters exchanged between his two grandfathers Kilgo recovers and revises his memories of them What he learns of their open passionate friendship reveals an essentially feminine aspect of their patriarchal natures enriching but also confusing Kilgo s earlier understanding of who they were As some of the more unhappy or unpleasant details of his grandfathers lives come to light they first heighten then assuage Kilgo s ambivalence about a family heritage built as much on myth as on truth The manner in which Kilgo makes such intensely personal concerns so broadly relevant accentuates what might be called the told rather than the written quality of *Inheritance of Horses* He is foremost a storyteller working in a style that is classically southern in its pacing and its feel for the land but all his own in its restrained humor and lack of self absorption Guided by a storyteller s respect for common people and common feelings Kilgo never prescribes or moralizes but rather brings us to places where principled choices can be made about what we need and value most in our lives      **Brown Thrasher** Clayton Eshleman,1986      **The Brown Thrasher** Robert E. Ware,Clemson Agricultural College of South Carolina,1944

## Decoding **Deep Enough For Ivorybills Brown Thrashers**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
