Bartley, 1995 First published in 1955 to wide acclaim T Harry Williams P G T Beauregard is universally regarded as the first authoritative portrait of the Confederacy s always dramatic often perplexing general Chicago Tribune Chivalric arrogant and of exotic Creole Louisiana origin Beauregard participated in every phase of the Civil War from its beginning to its end He rigidly adhered to principles of war derived from his studies of Jomini and Napoleon and yet many of his battle plans were rejected by his superiors who regarded him as excitable unreliable and contentious After the war Beauregard was almost the only prominent Confederate general who adapted successfully to the New South running railroads and later supervising the notorious Louisiana Lottery This paradox of a man who fought gallantly to defend the Old South and then helped industrialize it is the fascinating subject of Williams superb biography      *The Citizens' Council* Neil R. McMillen, 1994 This in depth account of the rise and decline of the Citizens Councils of America details the organization s role in the massive resistance to school desegregation in the South following the 1954 Brown vs Board of Education decision Included are a new preface and updated bibliography A tour de force of research and narration in highly readable style McMillen seems to have read everything the historical record has to offer on the subject and to have known exactly what to make of it Himself squarely on the side of the future he is sensitive to the anguish that prompted the hysteria of the misguided racist By any test a masterful study *Journal of Southern History* Takes seriously the people who made the movement when ridicule and caricature would have been an easier analytical technique Solidly researched and well written an intriguing story Augustus M Burns Social Studies      **The Future South and Higher Education** Southern Regional Education Board, 1968      *National Union Catalog* ,1970 Includes entries for maps and atlases      Catalog of Copyright Entries.
