Culturally Competent Kids Samantha Sweeney, 2025-05-06 A book for parents that provides a science based framework for helping to raise CULTURALLY COMPETENT KIDS This book is

for the parent who knows that culture is important It is for the parent who wants to teach their child about the world around them but doesn't know where to start Let this book be your starting point and your guide The goal of Culturally Competent Kids is to help you raise your children to become adults who respect and celebrate differences rather than simply tolerating them Research shows that while biases begin to develop at age 6 their origins begin much earlier Unfortunately diversity and culture are treated as though they are grownup concepts as if children don't recognize that diversity is all around them Human beings naturally categorize and your kids will develop preferences prejudices and opinions about people who are different from them Therefore it is important for parents to take an active role in helping their children see understand and develop their understanding of people and cultures that are different As Dr Sweeney says We don't have to all be friends or even like each other to treat each other with respect This book provides a science based framework with ideas and options to explore as you embark on this cultural competence journey with your kids and also with yourself **Examining AI**
