The International Journal of Micrographics & Video Technology ,1984      **Dragon Mine** Donna Grant,2021-07-12 I loved everything about Dragon Mine from the scorching first chapter to the epic worldbuilding It s my new favorite Donna Grant novel All hail Donna Grant the Dragon Queen New York Times bestselling author Larissa Ione Walk with New York Times and USA Today bestselling author Donna Grant through the doorway into the next engaging installment of her captivating new Dragon Kings series I am hers and she is mine Vaughn has spent eons searching for the woman who captured his heart only to be disappointed time and again Sure he sees her in his dreams May get to touch and hold her But it s not the same As the emptiness inside him grows he jumps at the chance for a distraction Setting his eyes on the dragons again in Zora is a balm but it can t compare to once again coming face to face with the gorgeous beauty who holds a piece of his soul With responsibilities comes sacrifice Eurwen has never known anything but the burden and joy of ruling the dragons But unlike her twin she s always been curious about Earth and the Kings and felt as if something were missing from her life When her reunion with her parents brings an unexpected surprise she can t help but give in to the pleasure that Vaughn offers Still her loyalty lies with her realm and the hurdles in their way to happiness seem insurmountable especially with a new and unknown foe seeking to destroy them Trust doesn t come easily but love conquers all And no amount of time or space can keep those who belong together apart I love fantasy romance and Donna Grant is one of the best at writing it Dragon Mine defines what it means to have a true soulmate I was captivated by this sexy love affair that was eons in the making New York Times bestselling author Sawyer Bennett      **Technology-Mediated Learning Environments for Young English**

**Learners** L. Leann Parker,2023-05-31 This book explores issues related to the use of technologies to support young second language learners and looks at promising areas for research design and development Grounded in a sociocultural theoretical framework it invites educators researchers and educational technology developers to consider a range of social and cultural factors in utilizing technology as a tool to help children from diverse linguistic and cultural backgrounds develop their English language and reading skills A major contribution is the authors consideration of ways that technology outside of school can benefit these students English language development in school The central chapters are counter pointed by invited reflections that bring to the discussion different yet complementary perspectives from notable scholars in the field of second language literacy and learning Technology Mediated Learning Environments for Young English Language Learners is targeted to researchers educators and policymakers in the areas of elementary education after school learning second language teaching and learning English language and literacy development and reading      **American Directory of**
