Code Dependent Madhumita Murgia, 2024-06-18 Shortlisted for the Women s Prize for Non Fiction Named a best book of the year by Esquire The Spectator and Publishers Weekly A riveting story of what it means to be human in a world changed by artificial intelligence revealing the perils and inequities of our growing reliance on automated decision making On the surface a British poet an UberEats courier in Pittsburgh an Indian doctor and a Chinese activist in exile have nothing in common But they are in fact linked by a profound common experience unexpected encounters with artificial intelligence In Code Dependent Murgia shows how automated systems are reshaping our lives all over the world from technology that marks children as future criminals to an app that is helping to give diagnoses to a remote tribal community AI has already infiltrated our day to day through language generating chatbots like ChatGPT and social media But it s also affecting us in more insidious ways It touches everything from our interpersonal relationships to our kids education work finances public services and even our human rights By highlighting the voices of ordinary people in places far removed from the cozy enclave of Silicon Valley Code Dependent explores the impact of a set of powerful flawed and often exploitative technologies on individuals communities and our wider society Murgia exposes how AI can strip away our collective and individual sense of agency and shatter our illusion of free will The ways in which algorithms and their effects are governed over the coming years will profoundly impact us all Yet we can t agree on a common path forward We cannot decide what preferences and morals we want to encode in these entities or what controls we may want to impose on them And thus we

are collectively relinquishing our moral authority to machines In Code Dependent Murgia not only sheds light on this chilling phenomenon but also charts a path of resistance AI is already changing what it means to be human in ways large and small and Murgia reveals what could happen if we fail to reclaim our humanity *Billboard* ,1999-08-21 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *The Advocate* ,2001-08-14 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Black Enterprise** ,2000-06 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance **New York Magazine** ,1988-02-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York Magazine* ,1986-10-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1996-04-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Times-picayune Index* ,1996 **The Best of Newspaper Design** C.
